Dear Christine, Doug and family.

Saddened to hear tha you have lost your dad but happy that you have had so many years with him. Thinking of you and letting you know that I remember your dad from when I was a kid as a kind man. It brings back memories of the weekend I spent at your farm and of Sandra at school before her passing also. Hold on to all the good memories because they stay with us forever.

Dear Betty and Family,
When I saw the notice of David's passing in the paper, it brought back fond memories of many years ago. Betty, you and David always welcomed me to your farm when I would come to hang out with Sandra. I still have great memories of Sandra and I floating down the canel on beautiful summer days. I also remember the day in 1969 when Sandra passed. My condolances are sent to you Betty and your family as you grieve the passing of David.
Regards,

Dear Betty & Family,
We will always cherish our memories of David. He was a most outstanding man who had a love for everyone. Our friendship goes back to the beginning of their marriage. We have enjoyed many trips with Betty & David and shared many meals in each others homes. David's passing leaves a void in our hearts.
Our love and deepest sympathy to all.
