Mr. Glen William Jardie

September 4, 1959 - July 8, 2025

It is with deep sadness that we announce the passing of Glen Jardie, who passed away peacefully on July 8, 2025, in High River, Alberta, at the age of 65.

Born on September 4, 1959, in High River, Alberta, Glen was a man of strength and toughness, unwavering character, and deep faith. His life was a reflection of his beliefs—steadfast, humble, and grounded in grace. His faith shaped how he lived, how he loved, and how he led his family.

Glen is lovingly remembered by his wife, Cheryl; his daughters, Alicia and Lacey (Ryan); his son, Lane (Karli); and his five cherished grandchildren: Savanna, Carson, Jack, Bryndle, and Oaklee. He is also survived by his five siblings and numerous nieces and nephews. He was a devoted husband, proud father, and adoring grandfather—“Paco” to his grandkids—whose presence was a source of wisdom, calm, and encouragement.

He was predeceased by his parents, Nellie and LeRoy.

Glen will be deeply missed by all who had the privilege of knowing him.

If desired, memorial contributions may be made to www.owncancer.ca .

A Funeral Service will be held on Tuesday, July 15, 2025, at 1:00 p.m. at the High River United Church (123 Macleod Trail SW, High River, AB T1V 1M6). Following the service, a reception will be held at “The Ranch” (434199 24 Street West, Foothills, AB T1S 6A9).

Glen was easily one of my favorite people. My dad's cousin. I remember his shocking sense of humour from when I was a child. He would say "Are you good or are you bad, because if you're you better be smart!" He had a big impact on me growing up. At our wedding in 2020 my buddy Louis and I were chatting at the bar over a beer and up strolls Glen. Now Louis is a fairly large man who has swung a hammer since he was 5 years old. I'm paraphrasing but Glen said something to the effect of "Hey, you wanna go?" Louis says "Yeah I'll go ya." Glen then smiled and said "I like this guy!" We had a good bullshit after that! Fearless, tough, kind and compassionate. I doubt he ever had an excuse for anything. God bless ya Glen

Sincerest condolences to Glen's family, I will always remember Glen as a friend who always went the extra mile at work. When times got tough, he would tell me to "lean back, get those spurs dug in and let's rodeo", he was a leader!

Dear Cheryl, Alicia, Lacey & Ryan, Lane &Karli. Our hearts are with you all and your families. Always loved Glen and chatting with him. Admired ihis strength and loyalty to all he let in to his circle and so honoured to be one of them. Have always loved your family watching you all grow and have such fun with your Dad. Toughest time in your lives but hope you find gratefulness in the love and joy of your memories. Glen's probably riding horse or bike and hanging with some buds. We can only hope. Will miss him greatly. Love and hugs Kay and Don

Some of my best childhood memories was when the Jardie cousins would come for a visit.
One of the most vivid memories was when Glen got his driver's license and came for a visit on his own with his new Monte Carlo. I think he had a Leo Sawyer 8 track as every time I hear Leo Sawyer hits on the radio I think of that day.
Cheryl and all the Jardie family my thoughts and prayers are with you at this very sad time.

Uncle Hugh remembers when Glen was 12, and he and his dad, Leroy, visited the Downey Ranche. They helped put up and stack hay. Aunt Anne and Uncle Hugh were happy to visit with Glen and Cheryl about a year ago at their home. We are sincerely saddened by his passing and are praying for the family.

Dear Cheryl and Family; and extended Jardie family;

We hold you close in our thoughts at this sad time. We're deeply sorry for your profound loss. I have such fond memories when visiting our Grandparents in Black Diamond, I never missed an opportunity to walk down the hill to visit with the Jardie family. Glen always took the time to have conversation and he had a great sense of humor! Glen, you will be so missed!
May all those beautiful memories fill your hearts with peace. ❤️

"Glen was the best, I wish my boys would have had a chance to know him" is what my son Chris said. I have known Glen all my life. Glen was 2 when I was born and we have shared our entire lives from getting into mischief as kids to learning how to smoke cigarettes to standing up for each other at our weddings. Our wives became friends and we have shared many evenings, dinners and good times spent together. We were always there for each other and loved sharing stories of our growing families and all that goes with life. Glen was the best.

Please accept my sincere condolences for your loss.
I had the pleasure of working and socializing with Glen back in our days with Nova Gas Transmission. Tom Durand, Glen and I rented a house in the Crowsnest Pass for a while when we were working on a compressor station just across the BC border. I recall meeting Cheryl and the kids on several occasions. A wonderful family for sure. In addition to being a friendly and likeable guy, he was highly respected by everyone in the field because he was a dedicated employee who did his absolute best each and every day. We had a lot of visitors on that site and he always introduced himself as "Glen Jardie Black Diamond". A good guy for sure and I am so sorry that he is gone.

We had a drink or two with Glen and the great inspection team for that Crowsnest compressor station project. One if the best station installs we had done. Glen was an integral member as he was the coordinator for all the materials that went into that station, there are a shitload of pieces to track. he always knew where shit was. Awesome sound man.

My sincere condolences to Glen's family. I worked alongside him for years in the Strathmore area for EnCana. He was a character and didnt hesitate to say what he was thinking! A cowboy through and through. We all worked hard and helped eachother. I especially remember having lots of laughs with him in the bullpen at the office. I have not seen or spoke him for a long time but thought of him often. RIP Glen...
