“ Stephen and Christine - We are saddened to learn of your Mother's passing. I recall meeting her when I first started driving you to school in the bus. She was a perpetual volunteer at the school and always giving of her time and talents. Please accept our prayers and thoughts for you and of course your Mother and also your Father.

“ Dear Christine and Stephen,  
My remembrances of your mother go back to the first day she walked into the DeWinton Playschool with you, Stephen, and then many years of seeing her there followed by many years at RDL where I was so pleased to have you in my grade 2 class, Christine.  
My deepest sympathies to both of you as you adjust to life without your loving mother here with you. I remember with fondness all the many discussions we had together. I am so pleased to have know Ann Hofmann. She is now at peace.

“ I am so sad!! Ann was like my little sister. We rode our horses in summer, had sleepovers, my childhood friend! Gone too young, a sweet, kind and beautiful lady. I feel so sorry for her children and her Mom, my moms best friend. My deepest sympathy to the family, keep her safe in your hearts, know that others mourn her loss with you! God speed Ann!

“ We have been friends for so many years.  
We watched our children grow up together. Cheered on the baseball team. Camped and helped to host local charities.  
So many memorable parties at your home that you and Rainer graciously hosted. I only spoke to you a few days ago....we feel so sad...but you sounded tired...and it was time to leave.  
Until we meet again my dear friend...love you so much
