“ So sorry to hear of Anna's passing. I got to know her a bit when visiting my mom at the Medicine Tree Manor. Anna and her sister both had so much energy and took an active interest in everything that was going on. I have great memories of the two sisters sometimes dancing together at the Thursday afternoon happy hours - they both loved the music, and were not about to miss out on a dance and some fun just because the gentlemen were taking a break, or already had a partner. If I recall correctly I had a dance with Anna myself one day! She was truly a lovely person.
