

## Mrs. Anne Davidson

May 23, 2019

Mrs. Anne Davidson of High River, AB passed away on May 23, 2019. Thank you so much to the staff and volunteers of the Foothills Country Hospice and the High River Hospital for the exceptional care and compassion given to Anne. Gratefully Anne had the time to be with her family and to greet the many friends and neighbours who came to visit. Anne's spirits were lifted immeasurably by your kindness and respect. Thank you all.

Anne is survived by her husband Lyle Davidson; sons Mike, Kim (Tina), Barry and Jeff (Cynde) and grandchildren Alexandra, Elliot, Jackson, Katherine, and Shannon. Anne came from a large family of 13 children, three who survive her; Reg, Cecilia and Fred. There are also many nieces and nephews too numerous to list. Special mention is made of her niece Judy Proulx, a great and close friend, who provided much comfort and support to Anne especially in her last days.

Anne was born in Calgary where she spent much of her life before moving to High River in 1989. She was an avid sewer, quilter and golfer but her greatest passions were her family, dogs and travel. She and Lyle spent many a happy winter as snowbirds in their motorhome in the Southern US. Anne loved Yorkshire terriers of which there were many in her life. The latest, Jazzy, was a constant companion.

She was an active member of Executive Women International and numerous motorhome clubs where she made lifelong friends.

At Anne's request, no service will be held. There will be an open house held at a later date.

In lieu of flowers, memorial donations can be made to the Foothills Country Hospice, PO Box 274, 322001 32nd St., Okotoks AB T1S 1A5, or [www.countryhospice.org/support-us](http://www.countryhospice.org/support-us)

“ Lyle & Family - I am so very sorry for your loss. I first knew Anne through Executive Women International many years ago and have many fond memories of our association of good times and hard work with organizing fund raising events. She always kept us on track with her "no nonsense" work ethics. She will always remain a valued member of EWI of Calgary.

I was so happy to have had a chance to visit with Anne and yourself while she was in High River hospital catching up on recent events since I hadn't seen Anne for the past few years, it was so nice to reconnect again.

My sincerest condolence to you, Lyle and your family.

“ I was so pleased to have been able to visit with Anne before leaving on holiday and see her smiling face. Anne and I became good friends through Executive Women International and even though we never visited often once she left, whenever we got together it was just like yesterday. My condolences go out to you Lyle and your whole family. Anne will certainly be missed. Phyllis Snider, EWI Past President.

“ It is with great sadness to learn of Anne's passing. She was a marvellous woman and someone I am proud to call a mentor when I first joined Executive Women International. I must admit she initially scared me, and I was afraid to receive that "look" when I veered off course. Anne possessed wonderful attributes and I'm lucky to have had her as an EWI "big sister". Time moved on and we didn't connect often, but if I had a big decision to face, I would ask myself ... "how would Anne handle this?" Her influence on me is lifelong. So many wonderful memories over many years. A special memory was my first annual meeting and convention in Hawaii with Anne and the other members of the chapter. I will miss her. My heartfelt condolences to you Lyle and your family. Dianne Andrews, EWI Past President.

“ Lyle and Family: We are so sorry to hear of your loss. We have enjoyed our time with Anne as next door neighbours and RV comrades both in Canada and the southern US and friends. We will miss her great sense of humour.

“ So sorry to hear of your loss Lyle. Knew Ann from golfing at the Highwood and playing May Jongg with her. She was a very nice and gentle person. Will miss seeing her walk her little dog.
