

## Mrs. Brenda Ann Auger

January 23, 1958 - July 5, 2021

It is with heavy hearts that we announce the passing of Brenda Auger on July 5, 2021, in High River, AB. Brenda fought a long and difficult battle with cancer for more than 10 years. She exuded grace and strength throughout and will be mourned and deeply missed by her husband Denis; Father Bob, brother Brad (Marie); children, Ryan, and Elise; grandchildren Thomas and Emey; and all who loved her. Brenda is also survived by Denis' family, brothers Mark (Farzaneh) and Louis (Carmie), brother-in-law Gary, as well as numerous extended family members. Brenda was predeceased by her mother Amelia and sister-in-law Celine.

Brenda was born on January 23, 1958, in Neilburg, Saskatchewan to Bob and Amelia Sawyer (nee Rzesnoski). She grew up in Carrot River SK, and Dauphin MB, with her sibling Brad. Brenda graduated high school in Dauphin and went on to study Dental Hygiene in at the University of Manitoba, graduating in 1978. She met Denis Auger in Calgary AB in 1980, and the two married on May 22, 1982. The couple had two children (Ryan and Elise) and lived in several places including Calgary AB, Dauphin MB, Edmonton AB, Corunna ON, Paris ON, Cincinnati OH, Villa Rica GA, Humble TX, and Houston TX.

Brenda's career of choice may have been dental hygiene, but her passion was being a mother and grandmother. She was known for her big heart, her amazing hostess abilities, her fun-loving personality and fierce love and loyalty. She was an avid golfer, bunko player, curler, gardener and cook. Brenda loved to visit with friends, and facetime her family, especially her grandchildren (Thomas and Emey), and spread love any chance she got.

As per her wishes, Brenda's family will hold a Celebration of Life on Sunday, July 25 at 2:00 p.m. at the Crystal Shores Beach House in Okotoks AB, 403 Milligan Drive. Her family would like to thank the medical team at MD Anderson in Houston TX, as well as the palliative care team at the High River Hospital.

Brenda had a giving heart. In lieu of flowers, donations can be made in Brenda's name to a charity of your choice.

Love you Brenda, always and forever.

“ Brenda it's taken a little time for me to grasp this new reality,I know we were lucky enough to have the time to have expressed to each other are feelings. But for public consumption, Brenda was the best partnerI could have ever had, she saved my life, was the love of my life, she was an incredible woman and my best friend. She supported me in every endeavor and was a great daughter, sister, aunt, niece, cousin, wife, mother and Grammie. We had a great time for over 40 years and I will always cherish our time together. So many great places wonderful friends and family all of whom she loved. What a legacy! Two great kids Ryan and Elise that she loved with all her heart! And then the bonus of two grandkids Thomas and Emey which were the love of her life! Brenda hasn't gone she lives in all the hearts of those she touched. She will never be forgotten, I love you Brenda! Always and Forever! Denis

Denis, you loved Brenda so much and always made her laugh! Ryan and Elise you were such great kids, then adults, and made your Mama proud. She was lucky to have a family like she did. “ Mom, it's only been a few days, but I find myself reaching for my phone to text you. Whenever I am sad, you were the one to tell me I am strong, amazing and resilient, and I wish I could hear you now.

You taught me so many things, and I'm so grateful for the time we shared. You were my best friend, my greatest supporter and the best Grammy to my kiddos.

I am going to continue living life to the fullest and making you proud every step of the way.

I love you mom. Always and forever.

P.s. Thank you for the cardinals. I know you are still with me holding my hand and heart every day.

“ I was blessed to come to know Brenda many years ago while working together in Dauphin. Brenda was professional to the core but always able to see the humour in things at the same time! We became great buds outside of work & some of my fondest memories were our Christmas bake exchanges & handcrafted gift exchanges, where Brenda’s inner “Martha Stewart” shone brightly! It was a loss to Dauphin when Denis, Brenda & kiddos decided to expand their horizons. I recall the going away party we hosted for Brenda & Denis where we dressed Brenda up in a thrift store Boba outfit. So many laughs & some tears as well! Being a friend of Brenda’s meant that no matter the miles that separated you, she would be a life long friend.

She loved her family more than anything & no wonder! Brenda was an ever positive, brave warrior in her battle with cancer but Denis & her devoted family were what empowered her to fight on & even in her final days & now they continue to do her proud! When we FaceTimed a couple months ago Brenda was so happy to have had Christmas with her family & cherished every single moment!

Brenda’s soul will certainly fly high & while she will be dearly missed, the night sky will certainly shine brightly with it’s new beautiful star!

Denis, Ryan, Elise & your adorable kiddos, we send our heartfelt condolences & love,

Val & Ray.

“ We were so lucky to have known Brenda. She was an unique person filled with a love of life and enjoyed sharing that love with everyone around her. She was a loyal friend and always there for you. Only Brenda could have gone through these last years with an upbeat attitude and a smile on her face. What a fighter. The angels will love her.

“ Dear Elise, I remember when you lived here we went to get Ryan from the Hamilton airport and your parents come over for dinner and a "Sing Song". As we danced and sang around my living room it was so evident then how they loved their children and how proud they were of you. I'm ever so sorry for the loss of your dear Mom. Sending love and hugs to you, your dad, your brother and of course your kidos. XO
