“ I knew Mr. Stockwell when I was selected to act as a legislative page boy my Grade 8 year of elementary school (1992?). I was from Barrie ON (Bob Rae was my MPP) so was not from his electoral district. However, he was always a treat to interact with, always quick with a joke and could always be found with a smirk on his face and a twinkle in his eye. I may not agree with their decisions but I always respected them as people. Sorry Bob, I know you were my political rep but Chris was my favorite MP. Please accept my condolences in regards to his passing. He almost had me convinced to take up studies in political science he was that persuasive. There was something about him that made me always think to myself "He's so COOL! When I grow up I want to be THAT guy!" Mr. Stockwell, you may be gone from this world but you have never left my head and some part of you will always be in my heart. If I leave half the mark on life that you have when my time comes, I'll have no complaints. The House stands adjourned, pages to your duties... Thank you Mr. Stockwell, you will be missed.

“ Dear Carolyn and family,
I was deeply saddened to hear of Chris' sudden passing. Dear friends and favourite customers for the last 5 years. And wonderful back-ups for delivering the HR Times when I needed time off. Thank you so much for your friendship. Karen Singer

“ After returning to High River in 2016 it was so nice to be warmly greeted by our new neighbours, Chris & Carolyn. We enjoyed many a glass of wine together and Murray will so miss his sports related conversations with Chris. Carolyn, you and your family have our deepest condolences. We have such fond memories of the evenings we spent with you and Chris and know we will continue to do so with you.
