

## Mr. Chuck Edward Hurl

April 24, 1951 - December 21, 2020

Chuck Hurl of High River, Alberta passed away at the Foothills Hospital in Calgary on December 21, 2020 at the age of 69 years. Chuck is survived by his wife Linda, daughter Lawna (Glen Gerlat), son Troy (Jodi), and grandchildren Lyla, Kylie, and Deacon Gerlat, his father Ted Hurl, sister Leslie (Jim Fitzgerald), brother Doug Hurl (Lisa), mother-in-law Elinor Miller, brother-in-law Gregg Percival (Pete) and countless nieces and nephews, all of whom will miss him very much. Chuck was predeceased by his sister Laurie Patterson and mother, Thelma.

Chuck was born in Brooks, Alberta, the oldest of four siblings and always the biggest, strongest kid on the block. The family eventually settled in High River and has been a fixture in the community ever since. A standout athlete, Chuck played football, rugby, baseball, hockey and golf and was an award-winning hockey coach where he shaped the character of a generation of High River's youth.

Chuck followed his father's career path into utility construction, working his way up to the executive ranks and eventually owning his own company called JLT Construction.

Chuck travelled as far as Australia and South Africa but a favourite destination was the family cabin in Montana. Driving the boat all day while his grandkids had the time of their lives was a cherished pastime. His grandkids adored sharing jokes and riddles with Papa and soon everyone would be laughing.

Chuck lived the life he wanted to live and maintained his sense of humour and thoughtfulness to the end, reconciling his praise for the Alberta health care system with his viewing of Fox news with conviction and a smirk.

In lieu of flowers, donations may be made in memory to the Tom Baker Cancer Centre, 1331 29 Street NW, Calgary, AB T2N 4N2, 403-521-3433, [albertacancer.ca/in-memory](http://albertacancer.ca/in-memory) .

A Celebration of Life was held on Sunday, August 29, 2021 from 2:00 p.m. to 4:00 p.m. at

“ So sad to hear of Chucks passing, although It had been awhile since I last seen Chuck, Bonny and I always thought of him when we were in the barn or driving the horses. We remember vividly when he would come out to drive the horses. We would drive for a couple of hours and sit in the barn after and BS for a couple more. He was a friend through and through.

“ Linda, Lawna, Troy,  
Uncle Ted, Leslie and Doug & families - we are so sorry for this sorrow you have to deal with.

As a kid, I remember a cold, wet, rainy day one summer when a very youthful Chuck worked at Rocky doing construction and stayed with Aunt Kathy and Uncle Melvin. We were staying there for a few days. Chuck came back to Aunt Kathy's for his lunch. We were impressed and in awe that that pot of soup and pretty much a loaf of bread in sandwiches disappeared. All the of us kids just stood and watched him eat...and eat.

John and I know and hope the memories each of you have of him will comfort and sustain you at this time. Keeping you in our hearts and prayers,

“ So sad to hear about the loss of my old buddy. My and Sharon's deepest condolences to the family. It seems like forever ago I first met him. The biggest teddy bear I would ever meet. Tried to be the big tough boss but deep down we all knew he was a gentle soul. Chuck always had the best sense of humour. His comments were always a hoot. Will be forever grateful for the opportunity he gave our son Rance at JLT. Not only did Chuck give Rance a job but went on to be a major mentor in his life. He taught Rance there is only one way to do any job. The right way. The way he always talked about Rance made a Dad proud. I have missed our annual golf foursome at the Primary Tournament. Was always a the best time to catch up.

Rest in Peace my friend.

“ Linda, Troy, Lawna, Ted and families, we are so saddened to hear of Chuck's passing, our sincere condolences and prayers are with you. Just on Sunday Chuck and I were texting back and forth about football and checking in with Chuck to see how he was feeling and how things were going. As normal Chuck said all was good. That was Chuck in a nutshell, everything was fine all the time even though at times it might not be. The friendship goes back almost 50 years starting with Ted and Thelma and family being friends with Frank and Alma and their family.

We will sure miss the fun times we had together, travelling with Chuck and Linda, especially our golf trips to Kananaskis, our golf trips to BC and visiting and golfing at the cabin in Montana. One of our best trips was when we went to Jasper for a golf instruction and play week, Chuck did some instructing of his own to the instructor, Chuck telling the instructor that you don't chip that way, you chip Chuck's way. And we still laugh today on Chuck taking the shorter route home when it took us 4 hours longer, but the scenery was much better.

We will cherish the times we spent together discussing topics that went from football, golf, curling and powerlines, especially talking powerlines, topics from who is working where now, what we each built where and how, remembering when we first worked together in Redwater whereupon we had numerous cocktails in Crooker's garage, or the jobs we did together in Banff and Canmore, those were fun days.

Chuck was a big man but he had to be because he had such a big heart. Chuck was so kind to give our son Steve a job and opportunity when he needed it most working for his powerline company JLT Construction. He was a real friend to us and a real mentor to Steve.

We will miss Chuck, we will miss the great visits we had, the golf trips we took, we will miss also the ones we were going to take, we will miss NFL Sundays discussing who would beat who, and we will miss the most the times when we would just sit back and reminisce about all the good times we spent together We will miss you dearly.

“ Linda, Lawna, Troy and families.....sending you the most loving thoughts and condolences during this difficult time.  
I can't begin to explain who Chuck was to my family, he was so much more than a friend.....he was always a dear family member to us. Chuck was the best of the best! Truly a one of a kind friend who became the best business partner, mentor to the Richter kids and myself and someone who we could always rely on for advice and laughter!  
No matter how corney an idea, Chuck was always one to say, "let's do it!".  
Going to the gym, running half marathons, tackling the Memorial Drive stairs, climbing the Calgary Tower stairs, racing Ferraris in Vegas or racing JLT crew trucks down the highway.....he was always in for a challenge!  
Most fond memories of our Chuckwagon sponsorship days, him dressing up as Santa at the JLT Christmas celebration, going to Calgary Stampede Rodeo, NFR and cranking George Strait regularly!  
Chuck always was a huge cheerleader for those he cared about. Always loyal and supportive and always pointed out the possibilities and the positives in any situation. Chuck was so adaptable to change, stayed current with technology, and would try anything once.....maybe even twice!  
Chuck touched many lives in so many positive ways and I feel forever blessed that I had such a great friendship with him.....something I will cherish forever.  
"What a ride of a life Chuck had....colourful, risk taking, laughter and just good fun - always sliding in sideways and ready for the next ride!"

Sincere thoughts, happy memories and loving prayers to all the family.

We will miss you Chuck!

“ Chuck, or Leroy as I jokingly called him was a hell of a guy. I have many fond memories from my time working for him at JLT. One of the best memories was when he decided I should come and help set street lights in November. I was a 22 year old broad with zero experience and a distain for winter weather. His humour and encouragement that day made it one to remember. He always had a way of lightening the mood, telling great stories and motivating people without them even realizing it. He will be missed greatly.

“ Such a sad time; condolences to the whole family; Chuck and I had been friends for 58 years, from high school football to present day golfing. Sometimes during that period, I would not see Chuck for a couple of years, but as soon as we would meet up, it was like we just talked yesterday, and the conversation would continue. In the last few years since Chuck retired, he would stop by the office in Okotoks every couple of weeks have a coffee, and all of a sudden, 2 hours had passed, mostly talking about current events. Chuck was extremely well informed on world and local events. I am going to miss those visits immensely. Goodbye, my old friend.

“ I have so many fond memories of time spent with Chuck, going back some 40 years. We first met when he was a utility construction foreman, and I was a electrical design tech, doing powerline relocations required for the twinning of the TransCanada highway east of Strathmore. We hit it off right away and enjoyed success together completing many projects of increasing significance as the years passed. Chuck and I were delighted to combine our two individual firms, Primary Engineering Corp. and JLT Construction, to form Primary Engineering and Construction – which continues on today employing hundreds of people across Canada. So many people I know - colleagues, employees and customers have directly benefitted from him just being who he was.

I respected Chuck's counsel, knew him to be hard working, savy, friendly, funny – and a remarkably good golfer. He enjoyed precious time at his farm, the cabin and especially with his family. At the end of long work day he once shared a quote with me “There's nothing better for the inside of a man than the outside of a horse”, and said he was headed home to look after the horses. I knew better what he meant from then on, when he said he was going home to look after the horses. I imagine Chuck is catching up with some long past loved ones and friends now, including a few horses.

For the Hurl family – my thoughts are with you. Please accept my sincere condolences on Chuck's sudden passing - he was a good man.
