“ If there was ever one person you could count on to make you smile, it was this guy here!! I used to love visiting Grandpa Dale. When my dad and Grandpa got together, they would try to out eat, out drink and out play each other, which was very exciting for us kids! Life was always a party at Grandpa Dale's. He knew how to have fun.

The last time my husband and I visited, he made sure to remind us that it was good to heat up the plates before serving someone brunch and it is ALWAYS a good idea to have champagne and orange juice in bed with your honey on Sundays! That was grandpa! Live large, laugh a lot, and try not to take life too seriously! My family and I will miss him so much!

Kay, we were so happy to hear that you were with him when he passed. Dan, thank you so much for sharing your dad with us. We are thinking of you both and passing on lots of love to you and the rest of the family.
