

Mr. David H. Harris

December 18, 1941 - September 6, 2012

It is with great sadness that we announce the death of David Harris. He survived for six and a half years after being diagnosed with carcinoid syndrome.

David was born in the High River hospital and raised in the beautiful countryside West of Turner Valley. After completing high school, David moved to Calgary to find work. In 1964 David enrolled in the University of Calgary and graduated with a Bachelor of Commerce degree. He then continued his studies to earn his Certified General Accountants designation. David worked for many years for Gulf Canada Resources, and on early retirement joined a group of friends who were starting a junior oil and gas company.

David was an avid curler and late in life fell in love with the game of golf, both of which he pursued with enthusiasm at the Glencoe Club. When his children were young, he spent many happy hours coaching hockey, ringette and soccer for Elbow Park community teams.

Building our lakeside cabin at the Shuswap was a special project of Dave's and he spent many happy summers there with his family and friends. He was always puttering on various construction projects and occasionally ventured onto the lake in his yellow canoe, fishing rod in hand,

David was predeceased by his father, Howard Lindsay Harris, and his mother, Jane Mary (Denning) Harris. He leaves to mourn him his beloved wife of 49 years, Emma, his daughter Julie Laureen Harris (Jerald Fast), his son Neil David Harris (Margot) and his much loved granddaughters Elizabeth Nell Fast and Rachel Marie Fast. He is also survived by his sister Mary Schlichting, brothers Lorne and Gordon, and his sister Carol Hodges as well as many dear aunts, uncles, nieces and nephews.

The family would like to thank Dr. Haggblad, Dr. J. Pasioka, Dr. E. Dixon, Dr. G. Schnell and nurse Andrea Thomber for their wonderful help on David's journey through his illness. David's last days were spent at Rosedale Hospice where he received loving care, keeping

him comfortable to the end. He passed away surrounded by Emma, Julie and Neil.

If friends so desire, in lieu of flowers, we request donations be made in David's name to Rosedale Hospice, 920 – 7A Street N.W. Calgary, AB T2M 3J3. A Memorial Service was held on Wednesday, September 12th at 2:00 p.m. at the Grace Presbyterian Church in Calgary (1009 – 15th Ave. SW). “ Please accept my most sincere condolences. I had the pleasure of getting to know Dave while working for Gulf and KomiArctic Oil in Russia. Dave always was positive and always had a welcome smile whenever I saw him. Even when working in Russia was sometimes completely crazy Dave would always find something to kid about to keep things light. He was a great guy and I always considered him to be a friend even though we didn't stay in touch. I'm sad I didn't learn about his illness sooner because I would of liked to see him. God Bless him and I know one day we will meet again.

“ To Emma and your family:

It is with great sadness that I read about the passing of Dave.

From my very early days at Gulf Canada, I always recognized Dave as a man of wisdom and intelligence, a man of dedication, a man of humour, and a man who cared for his fellow men and women.

May he rest in eternal peace. I will never forget him.

“ Dear Auntie Emma, Julie, Neil and Family,

I'm so sorry to not be able to be with you this week at Uncle Dave's funeral. He meant so much to me. He was such a kind and gentle person, always met me with a smile and hello that made me feel that I was special to him. I wrote on my Facebook wall after hearing of his passing that of the many things I learned from him, the greatest of all was how to love my nephews and nieces as though they were my own children. It is so very true.

When I stop visiting the adults at a family get-together to play catch with the kids or talk to them about school or their sports, or to look at their new doll house - I think of Uncle Dave. I remember all the times he stopped and took time to play or visit with us - and how it made me feel when he did.

He was a very blessed man to have been loved by so many - and to be loved so much by the three of you.

We will miss him terribly and take solice only in knowing that right now he is hitting a 300 yard drive down the middle of #8 on the Forest Course, throwing a football across the street from the house in Turner Valley, and flying down the ice ripping a slapshot in the top corner on Boxing Day - then relaxing on the deck and staring dreamily at a Shuswap Lake sunset, all on the same heavenly afternoon.

If it wasn't for him and Emma I would not be the person I am today, thanks for all the help and guidance you gave me when I needed it the most. Dave will be dearly missed by all who had a chance to know him, but now he is free of all his pain. Love Debb
