“ Dennis was the best landlord. When I asked if I could have a dog he didn't hesitate to say yes. My dog stole his heart and was my faithful companion for fifteen years. Thank you Dennis for that gift. I know wherever you are your infectious laugh and fun loving nature will make it a better place.

“ I remember what a great parent Dennis was and how well he loved his children. He was an inspiration to me as a single parent. Although I haven't seen Dennis since a party at Ola's a few years ago, and he had been ill at the time, he was still smiling and laughing...his great big wonderful laugh. I will always remember him as a giving person with a big heart and the capacity for sharing his love of life. I'm sure you're still laughing with Angels and we all still love you Dennis.

“ I will miss my friend's love of life and cowboy spirit. How he would drag you along in any venture he was going on and how you loved doing it. Those adventures are forever in my memories of Denny. We shared a love of horses and dogs and I will forever remember him with one or the other the dogs as close to him as they could get and the horses greeting him with a soft nicker. Love you my friend Kate

“ I will miss Uncle Denny dearly he was a a very jovial and kind spirited person. He had an interesting sense of humor and when our family would visit we would always have a great time playing dominoes, or just shooting the shit for hours, he would always have a slab of meat he would cook on the barbecue, and it was a wonderful time to visit with extended family. He brought a lot of people together and he was very hospitable to all. I enjoyed the times he would spend with us and feeding the horses and enjoying his majestic view of the mountains. Damn, I will dearly miss you Uncle til we meet again, love you always, Surrey, Chris, Savannah, Ken, Rob and dogs Singer and Kipper
