

Mr. Dohnavur "Don" Royal Young

September 28, 1940 - May 23, 2020

Dohnavur (Don) Royal Young of Okotoks, Alberta passed away at the age of 79 on May 23, 2020. Don is survived by his loving wife Doreen, his sons Jeffrey (Leah) and Randall (Sasha), his daughter Jane (Russell), and nine grandchildren, Chloe, Lucy, Bennett, Patrick, Katherine, Michael, Macy, Miles, and Madden.

Don was predeceased by his father Earl and mother Mary Ann, siblings Beatrice, Elwood, Vincent, Aaron and Joe, and brothers-in-law Donald Anderson and Jerry Anderson.

He is survived by his siblings Stirling (Thelma) Young and Thelma (George) Corris and sisters-in-law Linda Anderson and Janice (Steve) McGovern, and many nieces and nephews.

Don was born in Craigmyle, Alberta on September 28, 1940 and married Doreen in Calgary on October 26, 1963. He often joked that she was the best he could do with the car he had at the time, and that he had a very nice car!

In his earlier years Don worked on road construction, went from wash boy to service manager at Henninger Ford, owned and operated a Texaco service station in Calgary which was one of the first U-Haul franchises in western Canada, and became a successful real estate agent.

In 1978, he moved his family to the Blackie area to farm with his father-in-law Len Anderson and brother-in-law Donald Anderson. Don and Doreen moved to Okotoks in 2010, but he continued to be involved in farming and used his mechanical skills on equipment and vehicles in the quonset.

Along with a strong work ethic and willingness to learn, Don was known by all for his kindness, humour, and generous heart. He eagerly helped those in need, whether it be financially or by imparting his wisdom and experience. He wanted to bless others as the Lord had blessed him.

He was intentional about making memories with his family and friends. He often had a "neat idea" that involved a fun vacation, going for ice cream, or just getting together for a cup of coffee.

Don had a deep commitment to his family, friends, and his Christian faith. He was a valuable member of the church community.

While our hearts mourn the loss of our beloved husband, father, grandfather, brother, and uncle, we know that he is now in the presence of his heavenly Father.

In lieu of flowers, donations can be made to The Calgary Dream Centre or Samaritans Purse in memory of Don Young. The family also encourages you to intentionally bless someone as Don would have done.

A private family graveside burial will occur at the Blackie Cemetery with a public celebration of life to be scheduled at a later date.

“ This was a lovely graveside service. We were comforted by being able to participate via this webcast. It seems to me that Don brought people together and lifted people up. That's a rare quality. While Don will be missed within our families, he taught his children well and you each carry your dad's traits within you. That's a fine legacy. May the Lord bless and keep you and make His face to shine on you and give you peace.

“ Don and I first met as teenagers in the Calgary Full Gospel Church. When we reconnected in High River many years later, I was not surprised to see his fun, caring and Godly attitude still alive and well. I was blessed to know him. My prayers and thoughts are with you, Doreen, and the family. May you be comforted by the knowledge of knowing where he is and by the memories you made over the years.

Our chats included questions about our families and always the progress of our farming operations of the season. “ To Dee, Jeff, Randy, Jane, and the rest of the Family, Pam and I (Bruce) have just watched the funeral online, what a wonderful tribute to your Dad! How can I begin to express the amazing example that Don has been to me personally. My Dad also knew Don quite well when he had his concrete business many, many years ago. The Texaco station was not far from where I grew up and I remember it well.

Galatians 5 tells of the fruit of the Spirit and Don was an exemplary example of all mentioned in that chapter. God's Word tells us to raise our children in the way they should go and when they are old they will not depart from it - and I see that in his children, and Dee, you are very much part of that, well done!

I could write a short novel on the humor, wisdom and kindness that Don has shown me personally and to my family as well. He had asked me to do some work on the '55 Chevy but we hadn't had the time to get together to discuss it. Oh that enemy time! I truly was looking forward to spending the time with the "classic" Don more so than working on the classic car!

Don was a man of wonderful outlook and humor and a man of great character who loved his God, his family and those he came in contact with on a consistent basis.

Our deepest sympathy and prayers for your loss, heaven has received a gift. May Christ give you all comfort and peace at this time.

“ Our sympathies are extended to Doreen, Jeff, Randy and Jane and families. Don was truly an inspiring man, whose generosity, kind heart, and love for his family always shone through in everything he did. One of my favourite things about him was his sense of humour. He could make light of, or find good in almost anything, and he never let things get him down. May God grant peace, and comfort to all of you in this time of great sorrow.

Our Love and Prayers are extended to you all at this time,

“ I recall one Christmas when I was a child, uncle Don gave us a entrepreneur starter kit. It was nearly packaged pens paper pencils erasers and a small stapler with lots of extra staples. I was very impressed with his fore thought to our success. Don seemed to have a real knack for success and everything he touched seemed to turn to gold. I also remember aunty Doreen vividly as she was so pretty. Don definitely liked the finer things in life such as Cadillac and luxury vehicles. Don was similar to his brother Aaron and they broke the mold after Don. So sad. Although I never succeeded financially in this life, I did discover the most important thing a human can know and that God is real and he is the father, the son and the holy spirit. Life really is complete once we know that.

“ Our sympathies go out to Doreen, Jeff, Randy, Jane and their families. Don was a great friend. His concern for the welfare of others was evident in all that he did. A great memory was the support he and Doreen had for the BioSand water filter project which we began in the Amazon in 2001. This project still continues to meet the needs of Brazilian river people for clean water to this day. We always appreciated his kindness, faith and great sense of humour. We loved to hear his joke appropriate to the situation at hand and to smile at the giggle from Doreen at the joke which she had probably heard many times before. Don and Doreen have been longtime friends and we will miss Don's friendship but wish Doreen God's comfort and peace during this time of great sorrow. "Joy comes in the morning" Psa. 30:5b

“ Doreen (Dee), Jeff, Randy, Jane and family, We are sorry to hear of Don's passing and pray that the Lord will comfort you at this difficult time.

We so looked forward to hearing Don in His mellow baritone voice, and see how interested and concerned he was with everyone he spoke to

Our families go back many years as the home in Blackie that Don and Dee farmed for many years was Dee's grandparents homestead, and was side by side with my grandparents homestead going back to the early 1900's. So there was always the close bond of families.

We have to thank Don for one of his many acts of kindness to our family, During the Great flood of 2013 when High River was truly flooded, the grand piano in the Full Gospel church (that was a tribute to my mother Mary), was flooded to within a foot to the main keyboard, and Don had the piano taken to his quonset to dry out. Through his perseverance, the piano was restored and is still being used.

We think there is no greater tribute to Don's life than the words of the Triumphant Quartet when they sing "Welcome to Heaven my Child".
Don will be missed, but we have the blessed hope of seeing him someday!!!!

“ Auntie Dee, Jeff, Randy and Jane - I am sad for you that Don is no-longer here, to share a smile, a laugh, a joke, a memory, to spend time with his kids, grandkids and extended family. I rejoice that one day we too will see him in heaven. Uncle Don's quiet, gentle, humble manner, and deep faith in God, made an impact on lives. I am grateful for the time I got to spend with Uncle Don and Auntie Dee, late Aug 2019 while down in Calgary, and watching Uncle Don be Grandpa - expressing his love to his family by making their day extra special. I am grateful for being included in your family, my family is grateful too to call Don - Uncle Don.

I have many fond memories of the various projects we worked on, building our acreage, fixing vehicles and spending time together. We lost touch when I moved away, but rekindled our friendship this past winter with the chance meeting at Home Depot in Okotoks. I was so looking forward to having a coffee and getting caught up.
