

## Mrs. Donna Madeline Adams

March 9, 1947 - February 15, 2018

Donna Madeline Adams, formerly of Sherwood Park, passed away at the Foothills Country Hospice near her home of High River on February 15, 2018, at the age of 70. She is survived by her husband Roger Adams, her children Wes Borg, Graham Borg, Penni Doucette (Rene), Lisa MacPherson (Roger), Leanne Nash (Greg), Craig Adams (Susan) and Mark Adams (Lisa), as well as seventeen grandchildren, three sisters, two brothers, numerous friends, nieces, nephews and extended family. Donna was predeceased by her Mother, Blanche Hubenig, her father, Mike Hubenig and her brother, Danny Hubenig.

Donna excelled at everything. She was a wife, mother, friend, musician, successful realtor, working artist and a warm and loving support system for anyone in need. Donna always had a pot of coffee on when receiving visitors, she loved to provide companionship and a little "Donna advice" to those she could see struggling with an issue for which a past event may have equipped her with some words of wisdom. She was a loyal friend and a staunch protector of her family. Working for over 30 years in real estate in the Sherwood Park and Edmonton area she was a no-nonsense business woman with a strong work ethic and a drive to be the best at everything she put her mind to. Donna won the woman's club championship multiple times, and later the senior woman's club championship at the Belvedere Golf and Country Club near Sherwood Park while she was a member.

Retiring to High River in 2010, she quickly made more loving friends and began to concentrate on her art work, creating, displaying and selling her paintings and delighting in the process. High River truly felt like home and she loved to show her family and friends how she could see the mountains from her kitchen window. Some of her happiest times were entertaining family and friends with a great meal and cards or conversation. Donna faced challenges head-on, she was so strong. Whether it be the fire that destroyed her home near Sherwood Park, the flood in High River or later health challenges, she never wavered. She would say, "it is what it is, God has a plan". She had faith and trust in God and her greatest wish was to watch over her family after her time on this earth was complete. For all of her accomplishments, Donna's greatest joy in life was her care and commitment to family and especially to Roger, her loving husband of 30 years.

A private family celebration of life for Donna will be held at a later date. In lieu of flowers, donations can be made to the Foothills Country Hospice who provided loving care for Donna in her last days or a children's charity of your choice.

“ We are devastated to read this obituary. We have been trying to contact the family and in particular, my cousin Roger to offer our sincerest sympathy to him and all their children. Donna opened her heart and their home to us on one of the last trips with my sister Cynthia and Dad (John Adams), we knew that Roger had found himself a real treasure!! Our love and heartfelt hugs to you all ... Nadine (Adams) and Robert Peel

“ We are very saddened to hear about the loss of your Mom. We met Donna and Roger at Belvedere and we were in awe of Donna's talent on the golf course. We know that Donna would have been pleased to have known that our children went to school together - we have just learned this after Wes' Facebook post. Our daughter, Krista remembers Wes performing at their grad. And Donna performed well throughout her life - in work, in sports, in art - and she will be missed by many.

“ My deepest sympathy goes out to all the family. Donna had the biggest heart of anyone I've ever known. She would think nothing of spending hours to do something for you. She gave me piano lessons and looked after my website for example. She became a master of efficiency in everything. Above all there were always laughs when she was around. A very extraordinary woman that I will miss terribly.

“ I am so sorry to hear of the passing of a dear friend. I remember her asking me to take her to the driving range, as she wanted to play golf. After she hit the first ball, she said “ I love this.” From the on, it was game on. We had many games together, and golf trips. We shared many happy memories, not only with golf, but family times, card games and laughter. She was exceptional at everything. I shall miss her as will everyone who knew her. My condolences go out to her family.
