“ Our sincere condolences to Frances's family. I loved seeing her when she came out to the round pen to watch McKenna ride her pony last summer. What a wonderful lady she was.

“ My sympathy to the Noad Family on the loss of your mother and grandmother. The Noad's were good farm neighbours to the Brown's, and Frances always made room at the table for another. Seems to me her cinnamon buns were exceptional!

“ Mrs. Noad was a lovely lady. She so loved her family, and had the warmest smile. Her children and grandchildren have so many happy memories of Grandma's care and humour, and not to forget her apple pies. Probably the best!

“ Your Mom was a very special lady. I first met your Mom the summer I worked for Gilbert and Sylvia Garner. Sylvia and I would come to your house for eggs, I think, and your Mom would always have us come in for coffee. When Lorne and I got married and were living in Kamloops, your folks came to visit us. Your Dad was judging at a bull sale there. We were so happy to see them!!!! May all the wonderful memories of your Mom help you through

this time.
