“ Grandpa Jack opened his home to me and my wife Christy for Christmas on our first trip to Canada some years ago and we were accepted like we were family. I had some very rewarding conversations over early morning coffee with this great and loving man that I will never forget. Jack you have left a lasting impression on my life and am honored to have met you.

“ So many fond memories of your life Dad. How you led us; guided us; and shared your life with us. Miss you greatly and fondly trying to carry the torch and traditions you left behind 5 years ago today.

“ You are my sunshine, my only sunshine, you make me happy when skies are grey. You will never know dear how much I love you, so please don't take my sunshine away!

What I would do to hear you string your banjo and or sing this song. I love you grandpa and miss you and gram so much. I've given you sunshine so it will never fade away! Love always

“ Grandpa, I'm thinking of you today, like I do everyday, and wishing I could hear your voice and hold your hand right now. I miss you terribly. Jaquelyn prays to you & Grandma in heaven every day, but I am sure you both know that, because you can hear her. It's the sweetest thing, the love she has for both of you. I pray you are at peace and that you know how much you were loved & how much you are missed.  
Love Amy

“ Wow, what does one say about Jack? Like someone earlier already said, you could go on and on for many pages. I've known Jack and Betty all my life. Even as a small kid I used to wonder how one man could smile and joke so much - I never saw him any other way. He was a wonderful man. I will always have many memories of him throughout my childhood, as will my daughter has throughout hers. I will miss the times we got together as an adult as well. Enjoy the other side Jack, as you join Betty, Dad and other friends that have gone before you. We know heaven is a brighter, slightly crazier place with you in it. We will miss you here. Keep the light on ....

“ Dear family, We just want to let you know what an amazing man your father was. We heard many stories about him through our father Gerry McConkey and my dad's brother's Lawrence and John McConkey. He was a great support in helping our Uncle's when they were ill and helped us solve many issues that curtailed in their lives at that time. He faithfully visited our Uncle Lawrence in the nursing home and with a constant support to Uncle Lawrence and Uncle John McConkey. He had a great sense of humor and always looked forward and never behind. We were honored to have known such a great man in the short time we met him. We fondly remember his wife hosting our Grandma McConkey's 100 birthday. With Sincere Sympathy and our Prayers will be with you in this difficult time. May you feel Christ's everlasting wings holding you up at this time. Sincerely Carolyn Snow (nee: McConkey) Kathi Ann Malpass (McConkey)

“ Jack, you will be truly missed. You were always such a great family friend to my Dad, my Mom and my sister Anna. We will all miss your great sense of humour, the way you were able to tell a story, and the times when the banjo came out. There are few people that are a constant in your life. Some of my earliest memories are of going to the farm on Sundays to visit Jack, Betty and "Granny Hervey". As I grew up, the visits were less frequent and further apart, but you knew that Jack was always there. More recently, Jack would show up at a birthday party for Mom or a Stanton function and regale us with his great story telling, or start up a jam session or just make you smile.  
Thanks for the great memories.

“ My Father; A STRONG and PROUD man  
Four and a half years ago my father was given six months to live. I witnessed his courage, bravery, and strength in his continuous battle to survive and live on one more day. I believe he knew no other way than to fight for his last breath. Nothing makes me prouder than to say " I AM MY FATHER's SON"  
I LOVE YOU DAD!  
GOD BLESS  
Your son and best friend Garry

“ Ken, Garry, Karen.....it's the hardest thing to do...to say goodbye. But I know you all have so many great memories of your Dad, to help buoy you up and carry you through this tough time for you all. Your Dad was a "one in a million" I believe my Dad used to say, when discussing your Dad....amongst other things! I have nothing but fond memories of your Mom and your Dad, at the farm and in at the dealerships, never a dull moment, and always full of laughs. He always had time for everyone, always made you feel right at home...he will be missed, but never forgotten :)

“ Ken, Garry, Karen"pies".....Our thoughts are with you all at this time, your Dad was an amazing man. Your Dad and I met in the 60's when I travelled for Massey Ferguson. I joined him and Bob in the early 70's. You were my guide,Jack, with Farmway Vulcan, but more than that, you were my friend, through thick and thin! Thank you again for all your help and guidance, and friendship. Hope we meet up again my friend!  
Sincerely,

“ I don't know where to start with Hervey. We had so many laughs together. Probably some things he would prefer I kept to myself! I will remember all he taught me, the laughs and the devilish grin he had. Rather than say goodbye, I will borrow one of his famous sayings. So see you Jack, front row.

“ Ken, Garry, Karen & Families.  
Our condolences go out to all of you. I will always remember Jack. He was a great friend to my Dad (Bill). He didn't call my dad Bill, it was always "High Pockets", so then I thought of Jack as "Low Pockets". What a wonderful man!
