

Mr. Jack Keller

July 6, 1931 - July 6, 2021

Mr. Jack Keller of Didsbury, Alberta passed away on July 6, 2021 at the Peter Lougheed Hospital in Calgary, Alberta at the age of 90 years. Jack is survived by his daughter Tammy; sons Jacob, Randy, Wayne, Joe (Debbie) and Paul (Vera); grandchildren Chad, Tyler, Randi-Linn, Kimberly, Kourtney, Christopher, Sean, Ryan, Aaron, Maja, nine great grand-children, and his sister Anna Walz. Jack was predeceased by his son Walter Keller, parents John & Rose Keller, brother Leo Keller, and sisters Clara Vetter and Cecile Ryberg.

Jack was a man of so few words but yet said so much. He was born in Macklin, Saskatchewan as the eldest of 5, who did not carry on the tradition of farming but went on to live his passion of being a mechanic. Jack's Automotive was known far and wide as the place to go to get your vehicle repaired. He was fair, he was honest, and he treated every single person that came through his door with respect. Jack was the father of 7 children and for a vast time he was a single father who raised a family and ran a business the very best he knew how. His legacy is the family that is carrying on the values and lifestyle that he knew best.

Jack had many hobbies and interests that filled his life. He liked to build things, from small simple projects to his own motorhomes. Jack found extreme pleasure in music, and taught himself to play the piano, trumpet, clarinet, and guitar. His happy place in the later years of his life was writing out and playing music. He also enjoyed getting together with his friends and playing a good game of canasta among other card games.

Jack didn't tell anyone how to live their lives, he lived his life and let others watch him do it!

“ I will remember Jack as will a number of his friends at the Airdrie Over 50 Club. He was a gentleman, with a smile and a hello, how are you greeting to everyone he met. He will be missed.

“ I pass our families love to yours.

We just finished watching the service with my mother Irene Keller. It was so beautiful! A wonderful job by Tammy and Paul on the eulogy.

I remember visiting the family in Provost, I had such a good time hanging out with my cousins, a bunch of "good guys" as I only had "sisters" ;-)

Uncle Jack was the inspiration for me starting a career as a Mechanic. I was not nearly as talented as he was so I went on to do other things. However, when I was in the business in the late 70's, I apprenticed in Wainwright (near Czar) and Jack was renowned by my peers in the industry. If they had a problem with a carburetor, even in dealerships, they would send the problem to Jack's Automotive in Czar, for a guaranteed fix. He was a carburetor genius!! (and I was very proud to be his nephew).

I shall never forget Uncle Jack.

“ Sending our love, hugs and sincerest sympathy! Jack was such a gentle, kind, thoughtful & generous man. Czar was very blessed when Jack and his family chose Czar for their home. He will not be forgotten. Bev & Carol Penman
