

Mr. Jacy Brandon Paul Naugler

March 15, 1991 - February 1, 2020

Jacy Brandon Paul Naugler born March 15, 1991 in Kitchener Ontario, sadly passed away February 1, 2020.

Jacy is survived by his beautiful children and step children Domanik, Passion and Marissa; his amazingly supportive father Kim; brothers Adam (Jodie, Carter, Cooper) and Cody (Rose, Ethan, Ashlyn); his loving girlfriend Jessica, the mother of his two oldest children Shaniece (Josh), and many other relatives and friends. Jacy is predeceased by his beautiful mom Kristen.

Jacy was a son, a brother, a father, a spouse, an uncle, a nephew, an amazing co-parent and a great friend. It saddens us to have to say goodbye to such an amazing soul, but as Jacy would say it's not goodbye, it's "See yah later".

At a young age Jacy enjoyed dirt biking, skateboarding, snowboarding, buying and reselling used cars from the auctions with his dad, making jokes with his uncle Glen, baking and cooking with his mom, and spending quality time with his friends and family. Jacy looked up to his brothers Adam and Cody, and strived to be just like them both in every aspect!

Jacy was a very popular man but there was always one person who was truly his best friend over anyone else, and that was his father Kim. Not a day went by that he was not constantly thinking or talking about his father and the love he has for him.

Jacy was an amazing person who was always looking out for others. He never wanted anyone to feel sad or lonely, and would frequently check up on his loved ones. Jacy loved harder than most in this world and if you were lucky enough to be loved by him, you would never feel alone again.

Jacy had an infectious laugh and humour that brought smiles to everyone around him. Jacy had captivating eyes and arms that could hug the sadness out of anyone.

Jacy loved spending time with Jessica and the kids doing things like going to The Rec Room, Laser Tag, Skating and had plans to start teaching the kids to snowboard.

Jacy was very proud of his sobriety and even joined Shaniece in the book release that she was involved in about recovery. Jacy was always so encouraging, supportive and just an all around amazing man.

Jacy was very humbled and proud of his sobriety and graduation from Fresh Start Recover Centre. He worked very hard to not only better his own life, but to ensure a great future for his children and family.

We are all so proud of you Jacy and we will forever love and miss you dearly!

A Celebration of Jacy's Life will be held on Sunday, February 16th at 1:00 p.m. at the Highwood Golf Club in High River.

“ To the most amazing man I ever got the pleasure of knowing. I loved you the moment I laid eyes on you and you loved me. We are that once in a life time love at first sight kinda love. You bring so much joy to everyone around you. You have made me see so much more of life that I could ever imagine and have made the best of memories together. From me kicking your butt in basketball, to you taking me out on a romantic walk pulling out a blanket bringing those cute little tea light candles with the batteries and laying and watching the stars not even talking just being there with one another. Are fishing trip at my cabin I sware I've never seen you look so free and happy. That was the best feeling seeing you like that. All our pokemon adventures those were the best omg and your snuggles.
