“ I loved my visits with Jim, lots of laughs and a small amount of bantering. I remember being on the boat and diving in the lake and I accidental got Jim wet, well the next thing I knew he had a water gun. Well certainly miss him! Our thoughts are with both Howe families, may your memories get you through this tough time. Love you all

“ Jerry, Swede and families,
I was saddened to learn of Jim's passing. We have many great memories of Jim when we shared Calgary Flames season tickets for all those years. I was glad to have had such a good visit with him at Maxine Nelson's celebration of life not long ago. Mel and I reminisced about all sorts of things we shared over the years. I hope you will find comfort reflecting back on your memories of your dad.

Sincerely
