“ Sandy, Steve, Shawna and family, my deepest condolences on your loss. I truly enjoyed my years working with Jim. He was always such a caring and hard working individual, quick with a smile and an infectious laugh! I learned so much from Jim. When I first moved to Turner Valley he made me feel so welcome. And when I left, he was one of the team I missed the most. And still do. My thoughts and prayers are with you all.

“ I didn't know Jim other than a friendly wave in the neighborhood or a short chat at the door while canvassing but I always knew who cleaned the sidewalk after a snowfall. Many a time (especially these past few brutal winters) I thought, oh boy I better get out there and clean the walk and 9 times out of 10 it was already done, because Jim did it. He did it early, in the dark, before he went to work. So thoughtful of him, and so thankful and grateful to him for that neighborly act.

He was a kind person and we need more people like him not less. Sincere condolences to his family and so sad for his untimely passing.

“ Hey folks, sorry for your loss. I only new Jim for a few months when I was doing some contract work for Talisman a few years back. He was always very respectful and professional whenever we would meet for our discussions. I enjoyed working with him. Take care!

“ Dear Sandy & Family, our hearts go out to you all with your profound loss. As neighbours across the street for many years we will miss Jim. Whether a quick wave, hanging Christmas lights, a chat while shoveling snow or clearing some ice for all to enjoy - Jim provided a steady presence on our street for over a decade. His purposeful energy enhanced the feeling of home and neighbourliness and we will always remember him for that precious gift.

With love,

“ I was very shocked & saddened at Jim's sudden passing.
By chance, I spent a lot of time with Jim. We traveled together to play rec hockey in nanton for several years. As i remember those conversations, it becomes apparent that most were about his family, particularly his kids, the highlights of the last get together, or looking fwd to an upcoming one.
I also got to know him professionally, as we worked in the same industry. As Jim neared retirement, he went out of his way to teach us, coach us, and to help us out, even when he didn't need to. He was thoughtful and fair. I remember he was always one of the first to arrive, and last to leave.

Condolences to the Schnick family.

“ Sandy, Steve, Shawna, and entire Schnick family, my heart aches for you at this incredibly sad time. Jim was such a kind and funny man and I'll never forget the last time I saw him -- this summer he was bouncing my son on his knee on the deck of my parents' house. It was such a nice surprise to see you and Jim that day, Sandy when I came to pick him up. He was always willing to lend a hand, (or the use of his truck!) to our family when we needed it over the years. A true family friend we will never forget.

I hope all your countless happy memories of Jim will bring you comfort during this time.
