

Mr. James Douglas Maynard

April 13, 1945 - September 16, 2011

On September 16, Doug flew away ever so gently into that great good night. With quiet baby-like breaths, he drifted off into everlasting sleep. We know in our hearts that it was for the best, but our hearts are broken still. Doug is survived by his wife Lynda Rivé; son Liam; step-sons Robert and David; parents George and Edie; brothers Barry (Laureen) and Craig (Del); nephews Jason, Alex, Cole and Cody; nieces Robin and Lindsey; great nephews Alex and Payton; great niece Brynley; and grandson Aian. Thanks to family and friends who supported us through this journey. We thank the wonderful staff at the High River Hospital who made Doug's stay there so comfortable and for the compassion, care and understanding they showed toward us. In lieu of flowers donations to the Friends of Fish Creek would be welcomed because "Although his feet were big his footprint was small" www.friendsoffishcreek.org. An informal Calleigh will be held on Sunday, September 25th at 1:30 p.m. at the Crystal Ridge Golf Course, 9 Crystal Green Lane, Okotoks, Alberta.

“ Our heart felt condolences go out to Lynda and the Maynard family. His kindness, helpfulness and terrific smile are only a few of the many things we will miss about Doug. He touched us in so many different and personal ways. Thank you Doug for enriching our lives. You will be missed.

“ Having known Linda and Doug for a number of years our thoughts of Doug are how willing he was to help fix the technical aspects of this modern world at a moments notice. His coffee outings with Brian helping to fix the problems of today's life' May he rest in Peace knowing that he had a good innings.
God Bless

“ I won't ever forget how Doug offered to carry my groceries into the house for me. He was so thoughtful, and always had a great smile for everyone. He will be missed.

“ I was shocked and saddened to read of Doug's passing. Although we had, unfortunately, lost touch recently, aside from the odd time when he'd drop in to my office for a coffee and catch-up. However many years ago we were closely associated, as Doug stage managed several musical theatre productions I directed at U of C, and later a dance company I founded, and besides being hugely capable, he always managed to keep his cool, smile and even temperament--rare and valuable attributes among theatre people. I also fondly remember a walk on part he did in one show that always brought down the house. My sincere condolences to his family and friends. Jock Abra.
