“ I knew Dawn when she taught at FCHS in Okotoks. She encouraged me to get my teacher assistant certification. What a wonderful person she was, so generous and giving of herself to help others. I offer my condolences to the family. Rest In Peace Dawn!

“ Dawn taught both of our sons. Spencer (now 18) and Brandon (now 15) were blessed to have her as their first grade teacher. She always celebrated their strengths and encouraged them when needed. She was a wonderful teacher and someone we considered our friend. Our entire family is saddened that she is gone, but grateful she is now with the Lord. Brandon is skating in a play-off hockey game today with two other young men that were in his first grade class- they are taping their sticks orange for the game in honour of Mrs. Davis. Please know we are keeping you all in our thoughts and prayers, we are so very sorry for your loss.

“ Very sorry to hear of Dawns passing. I knew Dawn from DMG she was always very kind and generous helping out with ideas and craft supplies for our Girl Guide group. Although she had some health issues she came across with warmth and kindness she had a big heart - I know she will be welcomed with open arms in heaven.

“ Last year my husband was diagnosed with lung cancer and I took a hiatus from helping with meals for The Narrow Road Home to care for him, Dawn stepped up to selflessly help out with meals even while she was in the midst of her own battle with cancer. I only had a chance to speak with her once during that time and I will always remember how joyful she was and continued to praise her Lord and Saviour, leaning on Him in faith through it all.
My condolences to her family. She was a special lady.

“ I met Dawn through her niece, Melanie. One memory that really stands out is how
encouraging and supportive Dawn was when Melanie and I were both finishing our
teaching degrees and preparing for job interviews. Dawn gave us great advice, and I
sensed that she was extremely proud that Melanie was following in her educator's
footsteps. Dawn shared her teaching philosophy with us, and it has stuck with me
ever since. She said that in her eyes, every child was gifted and every child was
special. They all had talents and they all had areas in which to grow, and they all
deserved dedicated teachers.

We are so sorry for your family's loss.

“ Ken, Heather and Oscar and Troy,
You know how much your beautiful wife and mother meant to us and our families. Dawn was the Lifelong Friend (60+ years for Linda and Dawn) that others in this world can only hope to find. She was an absolutely wonderful person who always responded in kindness and love to one and all.
Our families have a special bond that has extended over the last four generations- from our parents, ourselves, our children and our grandchildren.

Please know that we share your profound sorrow and we are here to support you at this difficult time.

We love you all.

“ We first met you when you held our girl, Kaitlyn, as a newborn. That was 16 years ago..... 16 years in which you loved all 3 of our kids....reminded them of how special they are....came to their school concerts....took them to movies and shopping. You told me, Dawn, of what a happy house is toys all over the place, unfolded laundry on the couch and children running all over the place! Thank you Dawn for telling me I'm doing okay as a mom! I will wait for that day when I'll see you in heaven but until then, Ken, Troy, Heather & Oscaryou're stuck with us! We are so blessed to be a part of your lives. You are in our thoughts and prayers constantly and we love you very much.

Missing you Dawn!

“ Love naturally poured out of Dawn. Her arms were always full as she loved each child that surrounded her. Many memories come to my mind of her loving the babies (and all children) of High River Baptist Church. She will be missed but the hope and love she shared with all of us will live on in each of us! Praying for you all in this time of grief.

“ My brightest memories of Dawn are always of her smile. She was always supportive of Heather and I getting up to whatever mischief that came to our heads. She prayed with us and guided us both at church and youth group and at home. She was always easy to talk with, always willing to listen, always full of great questions and advice. She brought great joy and also a sense of stability and grounding to so many lives.

She will be greatly missed. Our thoughts, prayers and hugs are with you all -
Heather, Oscar, Ken and Troy.

“ I know that Dawn was my dad's favourite niece. Her nickname was Pete. I never knew why, one day maybe it will be a happy story to share. I will miss her optimism. I will miss her joy for life. I trust that there is a reunion happening in heaven.

“ So sorry to hear of Dawn's passing. She was a strong and beautiful lady. I will always remember her for her smile and enthusiastic help when Troy was in my grade 4 class. She was a supportive parent, a conscientious colleague and a caring friend.

“ I fondly remember Dawn planning special days for her school children. She always looked to find a way to make learning special for her students. There were meals, costumes, grandparents, parents, special days and many memories for everyone involved. And everyone was welcome; and the laughter filled the air. Her energy and love for children and family will be missed.

“ Heaven has received a very Special Angel. my condolences to Heather and Oscar, Ken and Troy. There isn't enough room in this comment area to express my joy of knowing Dawn and her family. Only when you got to know Dawn would she trust you with speaking about her Health, she always arrived with a grin from ear to ear, no matter how difficult or painful her situation. Always lovingly sharing stories. Family was her Love. She always had a solution to a problem, like Heather and Oscar's Wedding in a snowstorm changing Venues!! Love hearing how much she Loved Ken,Heather,Oscar and Troy!! I will miss our time together!!

We had a lot of fun changing hairstyles through the years from long to short, a few hilites!!
From your Hairstylist and Friend!! You should try some streaks in Orange or Teal, your favorite colours

“ My favorite memory of Dawn is her laughter; she saw humor in many situations and this was so refreshing to see. When Dawn left our team at Gibson we missed her and spoke of her so often. Dawn was very kind and I remember how when I had a surgery she arrived at my house with a humongous basket of food and other treats. My sympathy to all of you.

“ We are so very sorry for your loss.

Mrs. Davis taught our son, Haley, Grade one. She made learning fun and challenging! She always welcomed parents and siblings in her classroom and on field trips. It was a pleasure to help in her classroom. Words can't express how much she gave of herself..I remember one day at recess, she had a spare 10 minutes, so she pulled out a toolbox full of supplies and decorated the most beautiful birthday cake for one of the staff members!

Her love of learning will live on in the students whose lives she touched; she is sadly missed.
