

Mrs. Lorraine Lily Bagyinka

July 15, 1937 - October 8, 2018

Lorraine Bagyinka of Blackie, Alberta passed away on October 8, 2018 at the High River Hospital at the age of 81 years. Lorraine is survived by her husband of 54 years, Ed; daughters Jennifer (Curry) and Jodi (Jason); son, Jason (Stephanie); grandchildren Kelson, Delanie, Michael, Lucas, Parker and Annalise, sisters Lorna (Al) and Patsy; brothers Howard (Gloria), Barry (Jenny) and Brian (Dane); as well as numerous nieces and nephews, and was predeceased by her Mother Jessie, Father Carl, sister Genevieve and brothers David and Hugh.

Lorraine was born in Wadena, Saskatchewan and grew up on the beloved family farm with her mother and father and 8 siblings. There was always a lot of love and laughter at the farm. She later attended the Saskatoon Technical Institute where she received a diploma in bookkeeping, after which she spent many years working for the Federated Co-op in both Saskatoon and Edmonton. While in Edmonton, she met the great love of her life, Ed. They were married in 1964 and adopted their baby girl, Jennifer, in 1970 and baby boy, Jason in 1972. They later had baby girl Jodi in 1976. Ed and Lorraine moved to Blackie in 1970 when Ed got his first teaching job at Blackie School. Lorraine and Ed resided in the house they built in 1972 right up until her passing, and enjoyed endless hours working on the yard and in the garden. There was never a shortage of apple pies, ginger snaps, garden-grown vegetables or amazing meals when Lorraine was in the kitchen. Lorraine and Ed were inseparable all the way through their many years together, and set a wonderful example of how to be a loving, caring, exemplary couple to their three children.

Above all, and most importantly, it's worth noting that Lorraine was a tireless, selfless, loving and generous mother to her three children, and always put them first. She never missed attending a school event or volunteering to go on many field trips. It was obvious to anyone that knew her that she loved being a Mother (and Grandmother) more than anything else. This endearing love of babies and kids carried through to her 6 grandchildren, who were her greatest joy. As Ed would say "there ought to be a hall of fame for moms, and she would be accepted on the first ballot".

A Private Family memorial will be held in the summer of 2019 as Lorraine wished to not have a traditional funeral. Details will be shared at a later date.

In lieu of flowers memorial donations may be made to the High River Hospital Foundation
3rd Floor Care (560 9th Ave SW, High River, Ab, T1V 1B3).

“ So sorry for your loss. I will always remember her smile and laughter. I didn't get to see her as often after moving away, but she always stopped to talk whenever I was in town visiting, usually on Canada Day. She will be missed.

“ Dear Ed and Family:

Our deepest condolences to you all at this time of sad loss. Lorraine will be much missed. She was a very fine lady, and we will always remember her lovely smile and the way she spoke with such pride about her family. She has truly 'made a difference'.

Ed, my many years of having you as a teaching colleague have shown me a wonderful example of what kindness and caring is all about! Lorraine, too, demonstrated that kindness and caring in all she did! My husband, Andy, who came to know the two of you at staff functions, has always counted you both amongst the friends he truly values.

May she rest in peace, knowing she will live on forever in the minds and hearts of the people she touched and loved in so many ways!

Blessings,

“ Dear Ed and family,
It is with great sorrow that I hear of Lorraine’s passing today, Looking back it’s almost 50 years since we were neighbours and best friends, we had so many good times together. I so remember the day you brought Jennifer home, we were all very excited! Lorraine was a wonderful mother and friend. She always had a smile and your home was full of love and laughter. Time has taken us apart, but without a doubt I hold those special memories in my heart, She was the love of your life Ed and together you created a beautiful home and family. “ Ed, Jennifer, Jason and Jodi - we are so sad to hear about the loss of Lorraine. She was such a big part of our life for the 10 years we were neighbors. Cookies, tea, and never ending canned goods. You and Lorraine were surrogate grandparents to Ellie and Lane and always there for us no matter what we needed. She taught me so much about gardening and canning and I still have her ginger snap recipe in my favourite recipe file. She always had a smile for you and a laugh was never far off.

Our hearts go out to all of you and know you are in our thoughts.

“ Dear Ed, Jennifer, Jason and Jodie Lorainne was such a positive and genuinely friendly person. She always made you feel special. Since Ed retired we would meet only occasionally but she would talk to you like it was yesterday. She faced life's challenges with grace and brought light to every situation. My wish for you all is that the many cherished memories you have will bring you comfort.

“ Dear Ed, Jennifer, Jason and Jodi, well for once I'm at a loss for words, the loss of Lorraine was so sudden and I'm still trying to come to terms with it. I've known you guys since we moved to Blackie in 1972, you guys were the first people I became friends with and that friendship has lasted to this day, though of course over the years as things change we didn't see that much of each other but we always were best friends anyway. You know Ed, when I think of Lorraine I think of you, you two were always as one. We raised our kids together. On Wednesday when I talked to you, you said something that really made an impact on me. You told me you'd gotten to know three amazing people through this horrific time.....your children. We always know our kids will be here for us but you really find out just how much at times like this. Your children are who they are because of you and Lorraine, you raised them to be loving, kind and caring. I've always thought as parents that raising decent, hard working kids is our biggest accomplishment in life and we both did well! You said you've now become the son and the kids have become the dad and that's a great tribute to you and Lorraine!! And sadly a sign of our old age :)

I have so many memories of Lorraine, there's one in particular but because there was a tragedy involved it's not something I want to share on here. Lorraine got me involved in so many of the activities and clubs in Blackie, thus I got to meet more people and make more friends. I probably spent more time at your house in those days than I did at my own! I still think of her as having that long beautiful dark hair, that's still how I picture her even though she had it cut off many years ago. I don't need to tell you she lived for you, your kids and grandkids, the loves of her life and all our conversations revolved around them, the biggest joy in our lives.

I know you have some very hard days ahead of you adjusting to life without the love of your life but she wouldn't want you to grieve too long, she loved you too much to want you to suffer and of course you know she's always with you in spirit. Well Ed, you know me, my fingers don't know when to stop. If you ever need anything or just someone to talk to I'm always here for you, please remember that.

So much love to you and the whole family.
