

Mr. Norman Henry Lewis

July 24, 1934 - October 31, 2021

Mr. Norman Henry Lewis passed away at the Southwood Care Centre in Calgary, Alberta on October 31, 2021, at the age of 87 years. Norman is survived by his children Jim (Carol-Ann) of Edmonton, Colleen of Calgary; his loving granddaughter Suzanne, as well as numerous nieces and nephews. Norm was predeceased by his wife of 62 years Betty, brother Boyd, parents Mildred and Henry Lewis, and sisters-in-law Bernice Rudderham and Elaine Brown.

Norman was born in Ponoka, Alberta to Mildred and Henry Lewis on July 24, 1934. He completed his primary school in a one-room country school (Bobtail), and secondary school at Ponoka High; he graduated in 1950. He later earned a Certificate in Business from the University of Western Ontario. Norm worked as a Banker for CIBC for 40 years in several locations including Medicine Hat, Calgary, Ponoka, and Edmonton. Though he spent many of those years working in Regional Office, he took the opportunity to return home to Ponoka for 4 years where he was Branch Manager and enjoyed reuniting with many friends from his school days. After retirement in 1990, Norm and Betty purchased some land in Water Valley where Norm was very involved in clearing land in preparation for the building of their beautiful log home which they ran for several years as a Bed & Breakfast.

After 8 years in the log home, they were welcomed to High River, AB, which turned out to be a wonderful town in which to spend most of their remaining retirement years. Norm and Betty also enjoyed many years together on the open road with an RV, exploring much of Canada and the western U.S., as well as enjoying many winters in Arizona. Norm was an avid golfer and enjoyed participating in other sports including curling and softball. He had a quiet but steadfast faith and was actively involved in the United Church of Canada.

Memorial donations may be made to High River United Church, BOX 5520, High River, AB T1V 1M6. The family wishes to extend their gratitude to Dr. Chris Powell, and to staff of the following Retirement Communities: Seasons in High River, St. Teresa Place and Southwood Care Centre in Calgary.

“ Jim, Carol-Ann, Colleen and Suzanne:
We are so sorry we will not be able to attend but will try to watch online, We had some good times with your parents in Water Valley and High River. We could see that your Dad was so good to your Mom and looked after her. He had a quiet gentle manner. His sense of humour would certainly lighten things up. We have so many more memories of him We will write you soon Sending our love to you all.

“ Carol and I send sincere condolences to all of Norman's family.

I remember Norman very fondly from the early days of growing up in the Bobtail district, attending the same one room country school, playing hockey on the frozen Battle River which flowed by just across the road from their farmyard.

Norman was six years older than me but always so patient with helping out little guys like me.

He was a role model for me and I am quite sure filled that spot for many more during his long and productive life.

“ My sympathies to the family in the passing of Norman. Your grandparents and my parents were great friends as I was going up. We lived south of Eastside school east of Ponoka but spent many holiday times back and forth as a family. We moved to north of Ponoka when I was in grade four but those visits continued for years. Your Uncle Boyd and your Dad both started their careers in the Bank of Ponoka and that is where I started my working years. Boyd was transferred to Gemli Manitoba and eventually Norman moved on as well. Your family eventually moved back to the 'Bank house' by the Ponoka water tower! By this time I had left the Bank to raise my family and your family moved on. I am so honoured to join you to watch the 'live streaming of your Dad's Memorial.
