“ Pauline will be missed by many people but in particular by her wonderful children, Jason and Lisa. My heart goes out to both of you. Pauline was a spiritual person, an old soul. She was incredibly creative with her crafts, cooking and gardening. She loved her children and her pets and lead a simple life enjoying the simple things life has to offer. I had the pleasure of being her friend and neighbour for many years. I recall many chats and laughs with her on my back deck. She was a beautiful person and a good soul who went too young.

“ Pauline Wilson AKA Pauline Louise Pelletier
Sept 12, 1955- Jan 20, 2014

Pauline sadly and unexpectedly passed away. She was known as a caring and giving soul, living simply, peacefully and privately. Those she touched were graced with her passion for the outdoors, and the beauty she found and created in life all around. She taught her children to work hard, have self pride, the importance of sharing and giving to others freely. She was feisty and passionate about her values and beliefs. She leaves a footprint on earth having touched and influenced many. She was a loving mother, survived by her son Jason and daughter Lisa, and her dog Floyd who was by her side till the end. Pauline spoke strongly regarding her views of God and that she knew everything was ok. She was at peace. Family is arranging a celebration in the weeks to come. Those that'd like to be notified regarding the occasion can post their contact info on her obituary at www.lylereeves.com or contact Lisa(her daughter) at lisawilson77@hotmail.com

“ Nailed it Niki! It was always warm and inviting and smelled like food. Pauline made the best falafels. She was always friendly and I cant recall a single time that i heard her raise her voice. She was a beautiful and loving woman and she'll be missed by so many.

“ I remember coming over to Lisa's for sleep overs they would always make the best meals. Loved the crapes in the morning for breakfast with fresh fruit! I remember how much pride she took in her garden in the back yard and her love for reading. I learned to love the simple things in life from that wonderful infectiously smiling woman! RIP! You will be truly missed but live on in your beautiful children! Thank you for the wonderful childhood memories!!!
