

Mr. Robert Irvine

November 21, 1939 - March 16, 2021

Bob Irvine, beloved husband and best friend of Glenna Irvine, and Michelle and Natasha's amazing Dad, passed away on Tuesday March 16, 2021 at the age of 81 years.

Bob was born in a small-town hospital in Mt. Isa, Queensland near a cattle station in Australia. Shortly after, the family moved to the coal mining town of Scottville where he started grade 1 at Queens Beach State School. In grade 8, Bob had the good fortune to receive a scholarship to a boarding school in Charters Towers, Queensland. After taking only 4 years to graduate Grade 12 (Senior Matriculation), Bob studied for one year at Teachers' Training College in Brisbane. He began his teaching career in Bowen before moving on to Mary Kathleen, a new mining town in Australia. In 1962 Bob hopped on a Greek ship, the Patris, from Sydney to Athens and went by train from there to London, England. He toured Britain and Europe, with a ski trip to Austria to experience snow for the first time!

In 1963 he sailed for Canada, spending the summer in Toronto living at a frat house and working for Coca Cola. After what we can only imagine was a very enjoyable summer (no stories were shared with his kids!), he took a teaching job in the northern forests of Ontario at Deer Lake. The following summer Bob visited friends in Nova Scotia, Toronto, then jumped on the train to Lloydminster where he began his tour of Alberta... "what did I know about ending up there!!"

Upon his return to Australia Bob taught for a few months in Queensland schools, but his heart told him to travel! He sailed again for Canada, ending up in Lacombe where, in 1965, Bettie and Ken Ditzler introduced Bob to Glenna Robins on a blind date. They were married on November 11, 1967. In 1968 they flew to Australia to visit Bob's mother and grandmother, touring Queensland before returning to Victoria, B.C. where Bob attended the University of Victoria. They returned to Edmonton where Bob continued his education degree at the University of Alberta. In May 1970, after a move to High River, Bob spent one year teaching in Blackie, then started teaching in High River. In 1971 Bob became a proud Canadian but retained his abiding love of all things Aussie.

Bob had many interests over the years including reading & learning, chocolate, travel, chocolate, gardening, and teaching his kids & grandkids unusual expressions (more about that later). Bob was the first chair of the Marigold Library System, headquartered in Strathmore, and was chair of the High River Library Board when the new Centennial Library was built (which meant that his family was voluntold to help move all the books to their new home). In 1994, Bob retired from Spitzee School as Vice-Principal to pursue his love of travelling with Glenna.

They toured Australia extensively during their many visits “down under” and intrepidly ventured off to explore many countries including Mexico, Cuba, Bali, Costa Rica, New Zealand, Fiji, Samoa, and Singapore. They did pause their independent adventures to join a guided tour group to South Africa and later found that cruises were another passion -- Alaska, Panama Canal, the Rhine and Mosel Rivers in Germany, and a Holland America Grand Asia and Australia Voyage.

We loved our Dad enormously, especially when travel was involved! We have so many memories that involve adventures with Dad - playing in the waves on a sandy hot beach, camping in the mountains, always sending Dad out first to check for mosquitoes, and exploring the Big Rock where we unexpectedly learned that his new bifocals were not designed for climbing! Dad remembered and recounted every one of his holidays by whatever gastronomical delight came his way, “that’s where your Mom and I had the best key lime pie!” or “remember that dessert...”.

Unusual expressions were also part of Dad’s charm. We often heard him exclaim in delight “too right”, use the slightly less enthusiastic comment “blow it out your ear”, inform us that something was “chockablock” rather than just full, and many times, out of seemingly nowhere, Dad would pick up a piece of wood, wave it in the air and exclaim “look out she cried as she waved her wooden leg!” We’re still not sure what that last one means, but it’s become a family expression...

Dad was never flashy and never sought the limelight. He chose to do what was right and what was fun because that’s the kind of man he was. When he needed to get “gussied up”, his final touch was to dash on some cologne that he called “wow the women”. It took Natasha many years to realize that this was wasn’t the actual name of that cologne!

Dad savored every moment of his life. He found humor, beauty, and magic in everyday moments. He will be remembered for his sense of humour, his enthusiasm as a teacher and his passion for books and art. Besides his loving wife Glenna, Bob will be dearly

missed by his daughters; Michelle (James) McAra of Calgary and Natash Irvine (David Nix) of Edmonton. He loved to spend time with his grandchildren Kaitlyn and Brendan McAra (the encyclopedia and atlas were constant sources for answers during discussions with them!). He was kind, fair, and he taught us all how to be better people. That's quite a legacy for a small-town boy from Australia. Love you Dad... see you Thursday.

A private family service will be held at a later date. If friends so desire, memorial tributes, in lieu of flowers may be made to: the High River Centennial Library (909 – 1 Street SW, High River AB, T1V 1A5), or the Alzheimer Society of Calgary (800 – 7015 Macleod Trail SW, Calgary AB, T2H 2K6), or to the charity of your choice.

Caring for the family is Lyle Reeves Funerals of High River (Craig Snodgrass)

“ Dear Friends,
We would like to thank each of you for your kind words, cards and donations as a tribute to Bob/Dad. They bring back many wonderful memories and are a comfort to each of us.
Sincerely, Glenna, Michelle, Natasha, and family.

“ Dear Glenna and Family, I send my sincere condolences to you in Bob's passing. I truly enjoyed working with him and his ability to always see the bright side or more often the humorous side of life. He always had a smile on his face and was very helpful when challenges appeared. I'm sure your family has great memories to share and may those memories bring you peace.

“ Dear Glenna and family,
I was saddened to hear of Bob's recent passing. I will always remember the kindness that he (and you Glenna) extended to me during my time in Canada in 1992. I arrived just before Christmas to start a year long teaching exchange at Spitzee Elementary School. Bob was there at the airport to welcome not only me, but also my immediate family who had flown in from other parts of Australia and Japan to celebrate Christmas at Lake Louise. Bob and I not only shared an Australian heritage but we lived in similar remote Queensland towns throughout our lives. Bob spent his early years in Mary Kathleen, a small mining town, near Mt Ida where I lived. He also went to school near Collinsville, another small mining town, where I spent the first three years of my teaching life.
My memories of Bob, Glenna and their extraordinary kindness and friendship is one that I will never forget.
Sending you all my heartfelt condolences.

“ Dear Glenna and family, I valued Bob's knowledge and wisdom when I taught at Spitzee with him. He was always so "upbeat" and friendly with staff and students. I remember him passing on the delight of reading to my son when he was in Grade 5. Now Andrew and Rachel's girls are avid readers and are never found far away from a book. I loved seeing him in later years fixing up the books at the church garage sale. He always had a special book that was just for me and of course I bought it and read it. He will be missed by all of us.. Remember all the fun times that you had. I loved reading the obituary that the girls wrote. My deepest sympathies to you. Sylvia Moore

“ Dear Glenna and girls,
Bob (Mr. Irvine to our kids) was a gentle soul with the energy level of the Energizer Bunny. His smile told us all what a happy man he was and how much he loved his students, family and our Community. Our family was so lucky to have Bob teach all three of our children. It was just a few months ago that I went through all the papers I saved from the kid's school days and found one of Grant's with a note in red ink, that when he learned how to spell Lamborghini then he could use the vehicle in his essays. Grant chuckled when he read the paper but the important lesson was, that he taught Grant that you are accountable for your actions and what is acceptable and what is not.
Many thanks to Bob and your family for the work and dedication to the Marigold Library system. I remember him coming to Kinettes to speak about Marigold and to educate all us young moms. He took the time to care.
Our thoughts and prayers are with your family for the loss of such a stellar individual so well loved by your family and our community.

“ Mr. Irvine was able to strike the perfect balance between humour and high expectations in the classroom. He was always creative, inventive and completely engaged with his students. Mr. Irvine assigned a semester long project, “The World of Me” in the 6th grade. It was the first time (in my opinion/recollection) that the curriculum encouraged us to really examine who we were, as students and people; I loved it! He was clearly a gifted leader as evidenced by the many exceptional educators that made Spitzee their home for many years. Mr. Irvine will be missed and fondly remembered as a kind, funny, energetic family man with a deep love for his entire family. I wish that all of you will find comfort in your memories with him.

“ Condolences to Glenna and family on the passing of Bob, a great community builder. I was fortunate to be with Bob on the Hight River Library Board for many years. The greatest challenge and achievement was the building of the beautiful building that still serves the community. Bob was a man of vision and service and made a huge contribution to our town. Rest In Peace Bob!

“ Sad to hear of Mr. Irvine's passing. He was VP when I was hired at Spitzee school as an ESL assistant in the early 90's He was a very caring, compassionate and helpful man who helped me get very comfortable at Spitzee. I admired his wisdom and great care for students and staff.

Wishing his family strength and may his many memories help you in this difficult time.

“ Very saddened to hear about Mr Irvine’s passing. He was definitely a great teacher with much respect and patients towards the students. Mr Irvine had a genuine way of calming a class of rowdy students with a gentle voice and kind words. I have many fond memories of sitting in his class and listening to him read with great passion and desire. I will always remember the last time I spoke with him, the kind words of which he spoke. Thank you Mr Irvine for all the great memories.

“ Glenna and family,

Although I only worked with Bob at Spitzee School for 4 years, he made a lasting impression on me. The fall of 1970 was my first year teaching and I was very fortunate to have Bob's support and guidance. I soon realized what a special man he was. His willingness to share his knowledge and experience was a real asset to new teachers. With his positive outlook he set an excellent example. I will never forget his quick wit and infectious sense of humor that kept us smiling.

I hope knowing how much Bob's colleagues admired and respected him, helps you through this difficult time. May your special family memories bring you peace.

“ I only had the privilege of knowing Bob in his final years, but I feel forever touched by his beautiful, free spirit, his sweet heart, and his silly sense of humour (he always made me laugh). The love he shared with his wife Glenna is of the kind that reminds you that true love really does exist, and it endures all things and never fails. Sending so much love to Glenna, Michelle, and all of Bob's family - you are some of the finest people I've ever met, and I know you will continue to live out Bob's legacy in your lives and always make him so proud. Peace...

“ Glenna and Family,
I have many memories of Bob from Spitzee School in High River. In the early and mid 1970's there were many young, inexperienced teachers who had joined the staff. Bob was always supportive and helpful and caring. He helped make us better teachers. Bob was always ready to assist and as I write this, I think of some of the unusually requests that I made that Bob cheerfully accomplished. He did not hesitate. Bob to the rescue.

Bob also had his pulse on the happenings in High River. He would pass along information that impacted teachers in the school or that was influencing the town to those of us who did not live in the community. I remember Bob's reaction to several of the Town Council's decisions in the 1970's.

Bob loved a bit of fun and his wit and good humour were enjoyed by all. He would have a twinkle in his eye and carry on with what he was doing.

My sympathy to Glenna and your family. Bob was a caring, helpful man who always had a positive attitude towards everything. I know that you have many wonderful memories.

“ Glenna and family
It is with great sadness I learned of Bob's passing. He was the kind of man and administrator every teacher dreams of working with. He was a true gentleman and always brought a smile to your face. I loved his sense of humour and his kindness. He was a very wise man and was always willing to help in any situation. I have many happy memories of being on his staff at Spitzee. He was truly one of a kind and will be forever missed but never forgotten.

My sincere condolences to Glenna and family.

“ Bob was the administrator that every teacher should have the privilege of working with. He was kind, caring, helpful, generous, knowledgeable, and so witty. I came to Spitzee from the Northlands school division and I was truly “bushed”. Bob helped me make the transition back to urban living. If you knew Bob, you have wonderful memories of him. One summer when I was looking after Bob and Glenna’s vegetable garden, I had to put beer out in trays to drown slugs. Bob told me to make sure I gave the slugs only half of the bottle, then I could drink the rest.
My sincere condolences to Glenna, Michelle and Natasha and your families. You will have wonderful memories of Bob.

I arrived back at work to find my space totally rearranged with furniture in disarray and a ribbon across the doorway. He took full advantage of every opportunity to inject laughter into workdays. The 'long good-bye', so difficult for his family, did not diminish his legacy. A true angelic soul. My condolences to Glenna and family.

“ Glenna, Michelle and Natasha,

I was saddened when I heard the news of Bob's passing. With Bob and Corky I had many good years and happy times at Spitzee. I remember how Bob organized the first school retreat but he called it an 'advance' because of his goal to move our school forward. He was a fair and just principal and respected by both teachers and students. Bob was a curriculum leader and by example, reminded us to keep the arts in our curriculum. He contributed so much to the Spitzee family. I was blessed with the privilege of having Natasha in my first grade one class at Spitzee. My last memory of Bob was at the FRTA No Bells Breakfast. We had a good visit and we had a photo taken of the Spitzee family. Rest in peace my friend and colleague.
