

Mr. Trevor James Hanson

February 6, 1970 - February 27, 2020

It is with great sadness we announce the sudden and unexpected passing of Trevor Hanson, Calgary, Alberta on February 27th, 2020 at the age of 50 years. Trevor is survived by his loving wife Peggy; son Aiden; stepdaughters, Allison (Lee Jones), Andrea (Brady McMahon) & Michele; sister Traci (Danny, Isabella & Felicity); and parents Brenda and Wayne Hanson.

Trevor was a passionate fly fisherman and occasional bird hunter who enjoyed being outside at his farm south of Calgary. He loved his dogs, and usually had at least one with him at the fly-fishing shop he operated in downtown Calgary, Hanson's Outfitters. Trevor was known in the fly-fishing community for his 'fly fishing bootcamps' held every Sunday in the summers at his property on the Bow River known as the 'Hanson Stretch'. His knowledge of his sport and of course his colourful stories created from a lifetime of memories on the water defined the man we all knew and loved dearly.

A celebration of life for Trevor will be held when the Blue Wing Olives hatch. Details to follow.

In Lieu of flowers, donations in his honor can be made to Trout Unlimited or Ducks Unlimited.

“ I am Glen Hanson and no relation to Trevor but played lacrosse with him and we won the bantam nationals together in 1984 with the Salmonbellies. Trevor and i were constantly hip checking each other into lockers and NWSS and we just had a blast constantly fooling around. Havent talked or see Trevor since the late 80's however when i found out he passed i was saddend and i really cherish the memories from high school and playing on the Salmonbellies. My heart felt condolences to all of his family. Thanks for the memories Trevor.....i will never forget you!

“ Trevor was the one that taught me to fly fish, which has forever changed my life. You are a true ambassador of the sport and the Calgary community. All the best to those that have been blessed to know and be apart of Trevor's life. You'll be missed, but never forgotten.
