“ I will greatly miss Ada's beautiful smile and soft gentle voice when I am on the 2nd Floor. Ada was always so friendly, and we had many fun talks about our shared love of the colour purple.

“ Message for Gerry Mitchell.
My name is Rick Smith. I noticed the obituary for your mother, Ada Mitchell, in the newspaper and I want to offer my condolences on your loss. I did recognize her name as, if my facts are correct, her mother is a sister to my grandmother.

If you recall, we met several years ago when we were both with the City of Calgary. Reading of your mother's passing has prompted me to try to contact you. For some time now I have been working on a Family History and part of that is tracing the Keen Family which is of course the maiden name of our respective grandmothers. I am prepared to share the information that I have, and perhaps you can provide some additional detail. My sister, Judith Crompton has had some correspondence in the past with Wendy Gammon who I believe is your cousin.

I invite you to contact me at your convenience, if you are interested in reviewing the Family History that I have developed to this point. My contact information is as follows
