“ *My deepest sympathy to all of our cousins and their families. I always enjoyed Aunt Agnes's visits to Willowbrook to visit our Grandmother. She had a great sense of humor and I loved to hear her many stories. She and my Mom and Dad shared a lot of good times together. She will be sadly missed by all.*

“ *My deepest sympathy to Agnes's family. I will always remember how much fun we had when we made our trips to Yorkton each time that she spent time visiting her mother. She had a good sense of humor and we laughed a lot about her many stories. She will be missed by all of her extended family.*

“ A wonderful strong and brave lady, with a sense of humour like no other. As children we always looked forward to her visits.. and so enjoyed the many stories she and dad shared of their adventures while growing up. So glad mom, Steve and I got to visit her a few months back.

*Time and miles spread families apart.. but our hearts remain close.
Deepest sympathy to all her family and friends.*

“ We have many fond memories of Aunt Agnes. We loved listening to Dad and her reminisce about growing up in Saskatchewan. A memory I visit often is of Grandma Cecilia and Aunt Agnes knitting at the kitchen table - a stack of perfect mittens finished. Aunt Agnes had knit Dad a pair of gloves, which have been passed on to Bill - this perfect pair made with love is treasured. We are glad for the memories and we send our deepest sympathy. Our deepest sympathy to all my cousins. Your Mom was a brave & strong lady. I will always treasure the stories she told about growing up on the farm with my Dad and Uncle. I also have a pair of socks that Aunt Agnes knit. I call them my "feel better socks" because they make me feel better when I am sick.

I am truly sorry to hear of your mom's passing. As a young Cape Bretoner moving to Calgary to teach at Assumption School in Bowness in 1979, I met Agnes and worked beside her for 9 years. Although I returned to the east coast, I never forgot your mom...she was so much fun to be around and I always picture her laughing and telling funny stories. She was one amazing lady and I feel so blessed to have been her friend. My condolences to the family.

I am so sorry for your loss. I too taught with Agnes for 5 years at Assumption School from 1980-85. I was lucky enough to live with her and Randy for a few months before I returned home to Cape Breton. She and Randy both treated me with royalty. She was like my second mom and also a great friend. We had so much fun together and because of her my life out west was happy. We drifted apart over the years but I never stopped thinking about her and I still miss her to this day. She was truly one of a kind. I will never forget her. Love and prayers to the family.

So sorry to hear about Aggie's passing. I taught with Agnes her last year of teaching, when she was at Assumption School. It is a year I look back on with fondness and great memories, I was just entering the profession and she was leaving. We spent a lot of time sharing teaching wisdom over drinks at Boston Pizza! We also shared Saskatchewan roots, her from Willowbrook and me from Melville. I have thought about her many times over the years. Rest in peace, Aggie!
