

Ms. Alexandra Charlotte Hay

June 3, 1995 - February 16, 2022

Alexandra Charlotte Hay, cherished daughter of Mary-Ellen Wilderman-Hay and Bradley Hay of Vancouver, passed away in Toronto at the age of 26. Older sister to Emily Hay (Ricardo Rodriguez) of Vancouver and loved by her partner Christopher Nixon of Toronto.

Alexandra had a smile and a twinkle in her eye that you were undeniably drawn to as she entered a room. Her heart was always full of love, and she gave hugs like no other. The bounce in her step, the curls in her hair, and her meaningful “Hello” always made one want to get to know Alexandra.

While Calgary was Alexandra’s childhood home, in 2008 along with her family, moved to Oklahoma City, OK and then on to Tucson, AZ where she graduated from High School in 2013. After graduation, Alexandra came back to Calgary where she attended the University of Calgary for 2 years.

Relocating was in Alexandra’s blood and in 2015 she moved to the city that she truly called home, Toronto. It was there that Alexandra fell in love with the lakes and cottage country. Her passion for the outdoors had emerged with endless camping and portaging trips.

Alexandra was currently attending George Brown College in the Social Service Worker program where upon graduation was planning on working with

Women of Addiction and Trauma.

Alexandra never lost her love of dance but 3 knee surgeries later, she focused on yoga and rock climbing.

During her childhood years in Calgary, she danced with Elite Dance Academy and The Young Canadians of the Calgary Stampede. While back in Calgary for University, she danced with the University of Calgary and The Surge Dance Company.

Oklahoma found her with Dance Unlimited and on stage with Musical Theatre Productions thru Lyric Theatre and Sooner Theatre while in Arizona being a part of Dance Force 1.

Alexandra will be missed by her Grandmother Heather Wilderman of Victoria and her Grandma Barbara Hay of Lacombe. She was predeceased by her Papa Walter H. Wilderman and Grandpa Donald W. Hay. Also saddened by her loss are her aunts, uncles, cousins, and her extended Toronto family. Alexandra's NA Recovery Family will always hold a special place in all our hearts.

A Celebration of Alexandra's Life will be held on Friday, April 8th at the River Café, 25 Prince's Island Park SW, Calgary, Alberta at 12:30 p.m. For those unable to attend a Livestream of the service will be available on Alexandra's Tribute Page at www.lylereeves.com .

In memory of Alexandra Hay, donations can be made to Nellie's in Toronto, Ont. Shelter, Education, and Advocacy for all women and children.

Caring for the family is Lyle Reeves Funerals of High River (Craig Snodgrass) 403.652.4242.

“ Brad, MaryEllen, Emily and family,
Our hearts are broken at hearing this news. Alex practically grew up with our Samantha in the dance community and with The Young Canadians. We still have such great memories of Alex from when she camped and houseboated with us. She always brought the fun and happiness.
As she grew up and moved we lost touch. Then in October 2019, while on a business trip in Toronto, I was sitting in a bar having dinner and a drink, and suddenly I hear this loud “Hi! How are you?” And it was Alex - she worked there. We talked about so many things. It was so great. It's how I'll remember her.
Our deepest condolences to you.

“ Hi I’m Susannah, Alex was apart of my beautiful NA family. I’d like to say my fair well to my sweet friend Alex, I knew you a little over two years, it was such a joy getting to know you and see your wonderful personality shine. You were such a joyful presence in my life, I miss you dearly! May the loss of you motivate us all to fight the good fight and stay apart of the NO MATTER WHAT CLUB. You had called me a few days prior to hearing about your passing, you said you’d call back but never did. Thank you for being my friend, and caring so much about me and my daughter!

I will forever hold a special place in my heart for you, gone too soon but definitely never forgotten in so many peoples hearts! I remember the last conversation we had, it was so silly and full of light which is how I’m choosing to remember you. You asked me to say three things I love about myself, 3 goals, and 3 good things going on in my life. We laughed and you said I was a hot momma! I’ll always remember that night, from the moment I met you on the nooner meeting and you would always be making your presence known by hosting. Their was something that stood out about you, I just needed to reach out to you and build a friendship and we did just that. I will also always remember you telling me how special the note I sent to you was, told me that you had put it on your wall at home. So I know we hold a special place in your heart too, forever. Thank you for being you, and shining so brightly. You truly have made such a impact and difference in so many peoples life. I love you to the moon sweetheart, fly high with the angels darlin!! RIP 🥰

“ My name is Nichole and I am a member of Alexandra's NA family. I want to extend my sympathies to Alex's family. You shared a beautiful and vibrant daughter with us, and she will be missed forever. I will love and miss her forever. She did light up a room. She had a smile that was so sweet and she had such an impact on my life. Alex never failed to try to make others smile and feel good. Some of my fondest memories with her were laughing in my living room, the sheer excitement that she had when I got engaged and my wedding. She never stopped being excited for people's advancements in life. Alex was everyone's cheerleader. I had dinner with her the Friday before she passed and that is now a memory that I will hold close to my heart for the rest of my life. I saw much of myself in her spirit, in her drive, in her ambitions and in her love of humanity.

I will never forget her. She might have only been on earth for a short while, but the impact that her love and companionship and presence within my life is going to last forever. She was, is and will always be an angel that I had the luck to meet. Thank you for sharing her with me.
