“ *Alice was such a fun loving, giving, creative person who made everyone smile. She always believed in standing up for the underdog. I always enjoyed my time with her ... especially when she was trying to keep Lloyd in line. She will be greatly missed. 💕💕*

“ *Alice was a beautiful, creative woman whose joy of life was contagious. Great memories of going to work at casinos with her to raise money for the arts council. Travelling back home from Calgary in the wee hours listening to her stories of life as a young, feisty woman!*

Taking her, with Andrea, to get her ears pieced after her daughter had given her diamond studs as a gift. Salon asked which ear first and Alice replied, “Both at the same time!” We laughed, took photos and had such a grand time sharing her experience. I will always cherish her wee bear ornaments. You have earned your wings dear Alice, but will be sorely missed!❤️

“ We haven't known Alice long but the impact she has made on us will be forever felt in her love and generosity towards us. She literally made our dreams come true and allowed us to own a property we would not be able afford otherwise. Her love and tenderness she put in the home she loved is certainly evident, and cherished deeply by us. When we meet new neighbour's and they find out where we live, we are instantly met with open arms and warm stories of Alice and 'Shorty'. We are sadend by news of her passing and will always remember and treasure the blessing she bestowed upon us.

“ It is with huge sadness that I came across this announcement today. I knew Alice wasn't well but didn't realize that she had such a short time left with us.

I sat with Alice in many Okotoks Arts Council meeting years ago and it is with her that we cooked up the mural painting a la flatbed trailer through the Okotoks Parade which we have done for quite a few years with her wonderful, no-nonsense husband carefully steering us through!

One of my favourite paintings given to me by the Okotoks Arts Council years ago is one of Alice's and I still delight in it every day passing by it. I so sorely regret not getting in a visit to update her on everything that has been happening in the Okotoks Arts community. It was clearly long overdue and for that I am so sorry to her and her family.

I will miss her, her passion and her energy also carried about in a no-nonsense way that I have always appreciated in the wonderful women I know in this community.

Alice - your bequest comes as a complete surprise to us here at the Okotoks Arts Council. Let me assure you that we will continue to advocate and do work on your behalf that will make you forever proud to be a part.

An artist's life lived well Alice - you will be missed. I will see you next Wednesday. xoxo
