“ Amber you always had the kindest of words to say to me. We talked about so many things on love and life, children etc. I am so saddened that I did not see this earlier but you my friend are a wonderful person and the way you could really make people laugh will be missed. I was so happy when you went out and found true love. To Ambers husband, she spoke he world of you. RIP my friend.

“ *Amber, I am in disbelief that you are gone to this day, that was a real shocker to me!! I loved you as a friend and admired your braveness ... you never let anyone or anything hold you back from reaching your dreams no matter what you attempted. I miss you so much and are definitely missed by so many. Until we meet again my guardian angel, Rest in Peace.*
