“ I volunteered while Anne was at Ten Thousand Villages and also saw her a little over coffees in the years following before COVID. I appreciated Anne and her practical outlook on life, her creativity and empowering of us volunteers. I will remember her laughter and beautiful smile. I didn't know, of course, in late 2019 our coffee in the sunfilled Atco atrium restaurant with TTV friends was my last time to see Anne. I am thankful for that memory. I remember hearing often about Anne's daughter. She was so proud of you! She also loved the trip recent trip to Mexico and shared many memories of that trip with our coffee group. I am thankful for the gift of knowing Anne. With prayers for comfort in your loss,
Wendy Burnham

“ Dave and Jesse,

I knew this time would come, but it still grieves me deeply. I found Anne so very positive in dealing with her problems which encouraged me in my situation. I am so glad she had you at her side.

Deep love to both of you,
Eva Strain

“ *Ann brought beautiful energy as a friend and neighbour, and I'm grateful for her presence in my life. We so enjoyed our regular coffee chats, and joy filled laughs.*

I send sincere prayers and healing to Dave, and her daughter, and all family and friends grieving her loss as she journeys beyond us. Ann, you lived your challenges with grace and warrior strength. I'm grateful for having crossed paths, until we meet again my friend. In warm memory. Sue Hunter
