“ I am saddened to hear of your passing Barry. We grew up in the same neighborhood, we moved on in our lives, but crossed paths again. You were a caring, wonderful friend. Until we meet again

“ Bear. It brings me a little comfort to know you are not in pain anymore baby brother and that now you can find the peace that was so missing in your life. Your heart was so big and you gave so many pieces of it away on your journey. I am so proud that I was one of those people that had a piece. I will love you forever. Your sister “Kathy”
