“ Our condolences to all the Gallup family on the passing of Bella. What care and respect they showed to her by allowing her to stay in her home on the Pekisko. She was such a classy lady!

“ Wally, Donna and family, my sympathy to you all. I have not seen Bella for quite a long time, but I do remember her just as Joyce has described her. I also remember years ago when I lived next door to her and Wallace. She would work in the yard all morning mowing and weeding etc. with her work clothes on. When it was time for Wallace to come home for lunch she would go in and transform herself into this beautiful creature with makeup and a dress and it was so amazing and she looked like that every afternoon! Bella was hospitable and friendly and always enjoyed a good story and laugh.

“ So sorry to hear of Bella's passing! I remember many a time going with mom and dad to the ranch to visit Wallace and Bella. Her house was pristine, shining wood floors, deep down In the valley. Her little precious dog, a Pomeranian, always dancing at her feet! She was such a beautiful, happy and so petite woman, gorgeous hair always perfect!
I would like to think there is a happy reunion going on, on the "other side"!
I wish the family sincere sympathy, and I will hold my memories of her close! 🌸
