“ We remember Blaise and Denise very well. We are sad to read of Blaise's death. I remember the happy joking attitude he always presented when I entered his sign business. We give our sincere sympathy to all the family. I grew up with many of you and have fond memories of that time.

Memories. Blaise came out to the Hurren farm 2 years running during summer holidays to experience farm life. The 1st summer stay was going great until we ran out ketchup, that stay was then over. The 2cd summer we assured his Mom that we had lots of ketchup but she sent along a bottle just in case. The ketchup lasted the length of the stay even though the 2 of us did our best to finish it off. Thanks for the memories.

I remember the first time Blaise and Glen Whitman introduced me to Monty Python Flying Circus. I was pretty young and the show only came on midnight channel 4 Sunday night. I snuck out of bed because I could hear laughter. That was beginning of a life time of enjoyment. Well worth the lost sleep. Thanks Blaise
