“ *Bill, Joe and family,
It was such a pleasure knowing your Mother. I first met Jackie at work as one of our farm clients. As the years tumbled by we became friends and even found out we were shirt tailed relatives through the McKeages. One day she popped into my office and gave me some pictures of folks in my family that she found when she was downsizing and getting ready to move into her condo. I appreciated her gesture so much. You have lost a very special lady in you family however, you all have your memories you can hold close to your hearts. You are in my thoughts and prayers.*

“ On behalf of my mother, Joyce Peters, and her entire family, I want to express our sincere condolences on the loss of your mother and grandmother. Jackie was such an inspiration to Mom when Al was sick, and when her own health started to decline. She made a point to call and chat after Mom moved up to Fort Saskatchewan, and made her laugh as they planned their next get together in High River, when they go "raise some hell". Those memories will continue to bring a smile. She had such a great attitude and sense of humor. Unfortunately, Mom is in a nursing home in Sherwood Park and will be unable to attend Jackie's service. She sends her love and sympathy to the family, and shares your sorrow.

“ Our deepest sympathies to the family. Jackie was an amazing lady who always looked on the bright side of things and never let her illness get her down, she liked to pretend all was well and never complained. we have many happy memories of her and had lots of laughs with her. She was very interested in what everyone was doing and how they were feeling because she was such a caring person Howard and I are in Osoyoos and sadly will have to miss the memorial for her but will be there in spirit!

“ *Our sympathy to Bill, Joe, and families on the passing of your dear
Mom and Grandma. Our friendship began back in our school days
and was renewed when we both moved to Sunvale Cr. a few years
ago. She was the "go to" friend you could count on for a welcoming
chat, a bit of encouragement, and always the latest news about our
mutual friends, which we did almost daily. She was so proud of her
boys and grandchildren. She will be missed here by all of us.
