“ Very sorry to hear of Brian's passing. During the time he was a member of Bow River Lodge #1, we spent a lot of time on Freemasonry and Masters, Wardens and Deacons. He was dedicated, always pleasant of spirit and ready to lend a hand. He will be missed.

“ I don't really know what to say, words fail me. I am really going to miss you Bryan. I'm going to miss your sense of humor, I'm going to miss how you were never too busy to answer any questions I had no matter how silly I deemed them. I think though, mostly Bryan I am going to miss your wisdom and your kindness. It is a small comfort to know that cancer is no longer cramping your style as your logging miles on that interstate in the sky.

*You will live eternally in the hearts and on the lips of your friends, family and brothers Bryan. Farewell my brother*

*Forever in our hearts,*
