

## Mr. Bruce Cameron Longley

September 30, 1941 - September 6, 2024

It is with deep sadness that we announce the passing of our beloved husband, father, grandfather, and friend, Bruce Cameron Longley, on Friday, September 6th, 2024.

Bruce is survived by his devoted wife, Paulette, his three cherished children, Jeff (Tracy), Russ (Susan), and Lori (Mark), and his greatest joy—his grandchildren and great-grandchildren: Sarah, Cassandra, Camryn, Nicholas, Tanner, Alexander (Sasha), Victoria, Ty, Violet, and Kaya.

Bruce found his happiest moments on the golf course or cheering on his favorite sports teams, always surrounded by family and friends. He loved nothing more than spending time with his grandchildren and children. Known for his selflessness, Bruce always put others before himself and touched the lives of many with his kindness and generosity.

He will be deeply missed and forever remembered by all who knew him.

In lieu of flowers, donations may be made to the Nanton Church of Christ at [nantonchurchofchrist@gmail.com](mailto:nantonchurchofchrist@gmail.com) please include your address and name for receipt purposes, in memory of Bruce Longley.

A Memorial Service will be held on Thursday, September 12th at 2:00 p.m. at

*This was a wonderful celebration of life for my Uncle Bruce. He was a great guy who made everyone laugh. I have many fond memories with him when I was a kid. I'm glad my Dad, Louis Berlinguette, was with Uncle Bruce at the game when Gretzky scored 50 goals, in 39 games. What an Oilers memory! My heart goes out to Aunty Paulette, Jeff, Russ, and Lori. May Jesus help you through this difficult time. And know that Uncle Bruce is with Jesus in heaven.*

*Love,

“ I am so very sorry for your loss. I wanted to express my deepest sympathy to you all.

*I have fond memories of Uncle Bruce and the family coming down to Edmonton to watch the Oilers games in their glory days! Uncle Bruce and Aunt Paulette were some of the biggest fans I knew. I have very clear memories of them sitting on the very edge of their seats at my parents house, as the Oilers approached the opponents net. When the “boys” shot and scored the Longley’s leapt into the air and almost brought down the roof with excitement.*

*I truly believe he will be sitting beside you all next season, cheering on your favourite teams from heaven.*

“ Always remembered, never forgotten.

....

*We lost an incredible man on Friday; my father, Bruce Longley. A man who has had a significant impact on my life as a father, and a friend. He helped direct me into the profession of dentistry, over 30 years ago, which I will forever be grateful for. He insisted I became an Oiler fan when he became one of the first season ticket holders in the early '80s. Hockey and sports became a huge part of our family at an early age. So many wonderful memories together at Oiler games, Flames games, Golf games, monopoly games, RISK games... whatever, life with you was filled with laughter and memories.*

....

*For those that know dad, please go make yourself a Caesar and celebrate him with me. xoxo*

*Your baby girl, Lori*

*Dear Paulette, Lori, Russ and Jeff,*

*Steve, Daniel and myself were shocked and saddened by the sudden death of our beloved Bruce.*

*I recall as a young girl, shortly after my mother's death, how Bruce had tried to teach me how to golf. In hindsight, maybe I should have given it a bit more effort!*

*When I would return to Alberta during the summer months, I remember Bruce training me as a dental assistant at 16 and 17 years old. I was thrilled to have been given such an opportunity at their dental clinic!*

*One of the many highlights, when we visited Alberta with our young family, was that Steve was able to accompany Bruce to an Oilers game whereby they won the Stanley Cup. Amazing! Steve still talks about it to this day!*

*As the years passed and we visited Arizona, we were always welcomed so graciously by both Bruce and Paulette. Of course, one of Bruce's favourite requests was: "Can I get you a beverage?" Of course, we always obliged and enjoyed the many turkey BBQ's Paulette had prepared. There were so many fond memories and good times that we enjoyed with Bruce, Paulette and family.*

*It is always difficult to loose a person we love, be it a father, husband or grandparent. I know that Bruce is at Peace and he is being welcomed into a new realm by family and friends who left us before him.*

*You are all in our thoughts and prayers Paulette and family. May God give you strength to survive this sudden loss. Bruce would want us to move forward and continue to live life to the fullest!*

*All our love,*

*Steve, Jo-Anne and son Daniel  
(Jo-Anne is Paulette's youngest sister)*

*Dad, we are so lucky and grateful to have had the many years of guidance, encouragement, support and love from both you and Mom. You were one of my best friends and am so fortunate to have the memories we spent together on the golf course and our many sporting events we attended together. This has gutted me to the core and you'll be missed each and every day and never forgotten! I love you so very much and will see you again one day. Your oldest son, Jeffrey Cameron Bruce Longley.*
