

Mr. Bryant Melesko

January 4, 1972 - June 22, 2012

Bryant Melesko passed away peacefully on June 22, 2012 in Chilliwack, B.C. Bryant is survived by his brother Paul MacKillop, nephew, Roddy and the large MacKillop family as well as his aunts, Shirley (Fred) Hinkley and Joyce (Reg) Juno family. Bryant was predeceased by his parents, Sylvia and Gaylord MacKillop.

Bryant, despite his handicap, graduated top of his class at SAIT in computer programming. He loved all things electronic, motor biking and riding his quad to check cattle. He was a world traveller logging trips to Japan (3 times), Australia, China (with friend Joey) and last January for his 40th he took by taking his brother, nephew and Aunts Louanne and Joan to Hawaii. For the past 3 years, while battling cancer, Bryant lived with the Hansen family (Aunt Joan and Harold) who cared for him until his passing.

He will be sadly missed by us all for his great sense of humour and his generosity. A memorial service for Bryant will be held on Friday, July 6th at 2:00 p.m. at St Francis de Sales Catholic Church, High River.

“ *Bryant,*

Sorry I never got to say goodbye. I never got to know about your departure until recently when I did a search for you. I'll miss our talks, and your visits. Rest in peace, bro.

“ *Bryant, I'm sorry that I never got to say goodbye. I did a search for you and came up with this. I left CSUN abruptly for a girl, and you were probably wondering why you never saw me around anymore. You were the kindest gentlest soul ever, and your handicap never once kept you from making friends. I admired you kiddo, but I never told you. Well now you know and your family knows.*

“ After my husband was diagnosed with cancer, I didn't have that many people to talk to that could really understand and share challenges, emotions, and just vent, etc. Without even having met me in person, Bryant was always so sweet and open to talking about extremely tough topics. He touched my life in a way that he probably never knew, and I only wish I had told him earlier. He was truly a special person, and he will be missed.

I always enjoyed our chats and Bryant didn't seem to mind that I didn't always understand what he said. RIP big fella.
