“My deepest condolences go out to Caldeen's family and her many friends. Caldeen was an old friend of mine dating back to 1989 from northern Alberta in Bonnyville. All through the years kept in touch and I was heartbroken to hear of her passing. I will never forget her kindness and her special laugh. She had a heart of gold and a smile to go with it. Rest in Peace my friend.”

“I met caldeen just after the 2013 flood. Even if she didn't know you she was always kind and generous. We became friends and helped each other through those troubling times. I will miss her and the sound of her voice. Even though I moved away we still remained close, close like the kind of friend you can say anything to and not be judged. My thoughts go out to brother and all hutterite families who touched her life. Sincerely, Leslie Muir
