

Mrs. Carol Susanne Pohl

September 23, 1944 - January 27, 2022

Mrs. Carol Pohl of Olds, Alberta passed away at the Olds Hospital on January 27, 2022 at the age of 77 years. Carol is survived by her son Sheldon (Lana) Pohl, daughter Lori (Jim) Tinnion, grandchildren Amy, Megan and Hannah Pohl, Jack, Samuel, Bethany and Ivy Tinnion, and sister Ruth Lepine, as well as nieces, nephews and many loving friends. She was predeceased by her husband Garfield Pohl, mother Madelene (Crawford) Harper, and father Alexander Harper.

Carol was born and raised in rural Saskatchewan and then later moved to British Columbia. After attending Bible College in Saskatchewan, she met her husband Garfield and settled down in Chilliwack, British Columbia. She raised their two children Sheldon and Lori. She was involved in the Pentecostal Church driving the Sunday School Bus and loved teaching Sunday School to preschoolers. She was also a City of Chilliwack bus driver. In 2005 she and her husband moved to High River, Alberta to be closer to her grandchildren; and still carried on the role of a Sunday School teacher in her local church.

After her husband's passing in 2018, Carol moved to a senior's lodge in Olds to be closer to Lori's family. She will be remembered for her spiritual legacy towards her children and grandchildren. Carol held steadfast to her relationship with her Savior until the day she passed into His presence. You will be missed Grandma Carol.

Carol was a well-respected and loved member of our Chilliwack community and church. A wonderful children's ministry was far-reaching and she consistently loved each child that came into her presence. She was also a special friend and I visited her a number of times after they moved to Alberta and had many phone conversations in the last year. She is welcomed 'Home' at last and we rejoice in that knowledge. God's blessings on the family who so loved and cared for her.

From Marlene Mertke, friend: I remember Carol and Garfield as a wonderful couple and example of love for their Lord. I visited them twice in High River. Their hospitality was always warm and friendly. Carol and I used to go for walks when they lived in Chilliwack, just around the corner from where I lived. I missed that company after they moved to High River, but one day we'll walk again.

Carol has been a friend since the day we first met her...I had just turned 13, Carol was about to turn 13, and that was the day I saw another friend for the first time...Pat. Carol, Pat and I shared teenage years together. All three of us were PK's...that is...preacher's kids...with our dad's serving congregations in the three corners of a small triangle...Wadena (the Harpers), Tisdale (the Fulford's) and Kelvington (the Ball's). all three of us kids got to 'serve' in the dining hall at our church family camp at Watrous, Saskatchewan. I got the job of being scraper-of-the-dirty dishes, Pat was a server, carrying hot dinner plates to campers, BUT CAROL was the cream of the crop...she got to serve the HEAD TABLE...Her's was the prize assignment, getting to know the guest speakers and other special guests. We never let Carol forget that she was just a cut above the rest of us. Carol and Garfield have been life long friends, and especially in these past few years, it was such a gift to us to be able to visit with Carol every couple of weeks on the phone. God bless all her family today...you have a rich, down-to-earth, and priceless heritage....

“ Sending our prayers, deepest condolences & sympathy to Carol's family. We had the wonderful privilege in getting to know Carol & Garfield as neighbors in Prairie Sound. I remember having a chat with her shortly after Garfield passed away & she was looking forward to moving to be close to their daughter in Olds. Such kind, caring, and compassionate people. Miss seeing the friendly smiles, hugs & chats. Thinking of you all during this difficult time. Sincerely,
Tania & Rick Vander Ploeg & family
