“ Carrie was a very accomplished curler and I had the honour of curling on her team for many years. Everyone enjoyed her company and oh what fun we had at the curling club downstairs in “the pit”! Her house was a must stop on Halloween for her famous popcorn balls. She always threw in an extra ball for Evan. Carrie knew how to enjoy life. Condolences to you all, she was one of a kind.

“ Dear Pat and Bobbie,

I wanted to express my deep condolences to you and your family for your loss. I never had the privilege of meeting Mrs. Ryan in person in all the years she was a client but she was an amazing person nevertheless.

“ I have many great memories of my Grandma. The family all coming to Nanton at Easter and Thanksgiving to work in her yard and the delicious smell of the turkey cooking in the house. Her drinking her vodka and Orange juice or Caesar’s and playing cards around the table. Her and Grandpa coming back from camping all summer long in BC and bringing us a case of BC apples that we ate all winter long.

It was wonderful to celebrate her 100th birthday in Nanton and seeing all her friends and hearing their stories of Grandma’s impact on their lives. I never knew she had touched so many people in different ways, it was beautiful.

I am sure Grandpa, her siblings, her friends her parents are all wondering what took her so long to get to heaven...I think she had to finish her drink first. 😂

I thank the staff at the Silver Willow Lodge for her car over the last years, they became her second family and we are grateful to them and the job they do.

Rest in peace Grandma, you’ve had a long journey! We will miss you lots❤️❤️❤️

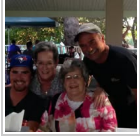

Love Cari

“ *She was a feisty, big hearted lady right till the end. We first met her as a neighbor across the street in 1988. Taught us how to garden and happy hour at 5pm. Best time was her 100th birthday at the Audi Hotel in Nanton with Dave and Lance Loree playing Stand Up, Carrie and all her family dancing. That was Carri! Will miss her. Love to all her family. Dave, Brenda, and Landon Harris.*
