“ I so enjoyed my visits and chats with Charlotte over the past two or three years, but especially since the flood when I got to really know her while she was evacuated to Vulcan. She so enjoyed participating in many of the Spiritual Care programs and it was such a delight to have her. She will be missed. May she rest in peace, and may you know the comfort and consolation of the Lord. My thoughts and prayers are with you. ~ Chaplain Virginia

“ *Sharon, Dwight, Heather and Wade... My wife Brenda and I give our deepest sympathies in your loss of your mom. She may be gone from here, but she is alive with Jesus. She sure could swing a mean stick, Wade and I will never forget that fact...especially after painting the neighbor's house tomato red ;)*

“ So sorry for your loss. Auntie was a special person who was impossible not to love. She was kind and gracious and optimistic, and she will be missed. I'm so glad she will be able to rest beside your Dad. It will be hard not to have her nearby, but comforting to think of her next to your Dad. All our love!
