

Mrs. Christine Ellis

March 3, 1961 - June 14, 2013

Mrs. Chrissy Ellis passed away at her home in High River, Alberta on June 14th, 2013.

To all of Chrissy's friends and supporters, and I know there are a lot of you.

In light of the recent tragic events that have happened in High River, we the family; Jiggers, Griffin and Tara, Landon and Jill, Chase and Kristin and Rick would like to say that instead of a memorial service, we would like anyone that Chrissy touched in her special way to go out on the 18th of July and "pay it forward" by doing random acts of kindness and just think of Chris as you make someone smile, give a hug, help someone in need and make the world a little better place. You may also make a donation to the High River flood victims or the Claresholm Care Centre.

This would make Chrissy a whole lot happier than some fancy celebration anyhow.

Some of her favorite sayings were, "the most important things in life, aren't things", "Things may change, but we start and end each day with family", "Happiness is not something we seek, but a state of mind", and lastly "kindness changes everything".

Thanks to all who have sent their condolences and kind words and know that she went out on top of the world.

She loves you all and the rest of us can only hope to touch people the way that she did.

Love

Rick and Family

“ Can everyone hear " Put me in coach, I'm ready to play" (by John Fogarty) coming from above booming out of Chrissy's boombox at first base , and see Chrissy bopping all over the plate? That was the day I knew she and I would be friends forever. I always enjoyed watching her and all the teammates having such a good time. And if there was anything that could be made funnier, well there was Chrissy right in the midst of it !!

I enjoyed working with her for so many years at the post office. We had good and bad and sometimes sad times, but she was the one who started the day with a big greeting and a bigger smile. We went through a lot together and we were always there for each other. And I will always be grateful that she shared her family with me. To Rick, Chase, Landon and Griffin and all your beautiful families ,I share your grief and sorrow, your tears and heartache. To Chrissy's family. her Dad and Mom. her sisters and brothers, her brothers- in- law, sisters-in-law, and all her nieces and nephews, and to all her good friends I extend deepest sorrow and sympathy. Our memories of this Lady will get us through the days ahead. So, my friend, you just go a boppin' off to heaven and have a roster ready for the rest of us. Oh, and by the way, have my Mom make you some peach tarts !! I will miss you forever.

“ Chris
Numbness has taken hold of our family. It seems like we just said our goodbyes a few weeks ago talking over the fence that separated our two homes for so many years. We all said we would stay in touch with each other and plan a get together soon. As we talked that afternoon, you stood by Rick and held on to him at his waist and he put his arm over your shoulder and both of you looked at each other and said the love was still strong between you. We knew that was the case but we were still sad you were moving away; we loved being your neighbour and friend.
Rick, Chase, Landon and Griffin will get all the support and love they need now from the many souls you touched by just being you.
Peace

“ *Dear Rick, Chase, Landon, and Griff. Most sincere sympathy to you, and your families, and to the rest of Chris's family. She was the proudest grandma ever, and the best friend anyone could ever have. Remember her sparkling eyes, her cheering at every sporting event, and the pride and love she had for every member of her family. We will miss her, and we will never forget her.*
