“ I just heard of Chris's passing, I am so sorry for the family. Ron and I knew for so many years and although we hadn't seen him recently he kept in our thoughts. I always was struck by his remarkable artistic talent and how funny he could be. I wish we heard sooner so we could have been there for his funeral. He will be missed by so many. well wishes for the family, he loved you and always spoke so highly of you.
