

Ms. Cindie Eleanor Smith

June 25, 1957 - March 29, 2020

It is with great sadness and many broken hearts that we share the passing of Cindie Eleanor Smith (nee. Sharratt). After a long and tenacious fight she passed peacefully on March. 29, 2020.

Her laugh, kindness and fierceness for those she loved will be forever missed, but never forgotten. She was a daughter, a sister, a mother and most importantly a grandmother. Ian and Abigail will never forget the memories you created for them and the unending trouble you and Abi would manage to stir up. We hoped and prayed for more time, but your dad and brother were calling you home. All of our love, now and forever. We will forever be missing you but we know you're close by.

Cindie is survived by her fiancée Ken Hervey; daughter Amanda (spouse Troy Christie); son Ryan (spouse Pam Getz) and her 4 grandbabies - Ian and Abigail Christie and Cassie and Zachery Getz. Cindie is also survived by her brother Sam, Sister Bev, Sister Dell and Mother Bev. Cindie was predeceased by her father Arnold (Roy) Sharratt, brother Kim Sharratt.

Due to the current circumstances a Celebration of Cindie's Life will be held at a later date.

Caring for the family is Lyle Reeves Funerals of High River (Craig Snodgrass)

“ *Sending our Deepest Sympathy*

As a family we recently shared stories of Auntie Cindie. There was her home cooking and pasta made from scratch, Cindie & Kim singing together, but one memory we all kept going back to was the Great Whale Adventure.

Let me explain: When Cindie came to visit us in Sooke, one of our activities was a little walk along the west coast shore. Well our little walk turned into quite a hike as we searched along the rocky coastline. After what seemed liked hours of walking we finally came across a 41 foot 30 ton beached grey whale. I can't even describe how horrible it smelled but Cindie was a good sport and stood by that foul smelling whale long enough for us to take a picture!

May all your happy memories give you some peace during this difficult time, our thoughts are with all of you.

Love Lori, Leisha (Jonathan), Shayla, Chad, Brett, Kelsa & Bryce

“ It all began and ended so fast. I had just got my drivers license when our school romance began. I was travelling “over the hill” back then near Red Deer Lake. Those were special times in our lives, two young souls on a journey where our paths went different directions. Who would have thought that nearly 8 years ago as we were both nearly “over the hill” that we could rekindle that old relationship. Sharing these past years in pride, love, happiness and sadness was a huge step we agreed to take together. I am so glad for the opportunity for us to grow in our older (almost golden) years and honoured to see our families grow together. I can only imagine the existence of the pain you were experiencing over the last 3-4 years. Everyday not as good as the day before. You headed into each day so brave and tolerant of that growing pain, unselfishly loving and caring for all of us and the critters around here more than yourself. It gives me peace now knowing this is behind you and your new “pain free” journey has begun. Thanks for sharing our “not so silver years” Cindie. Our families will grow and our memories are fond and plenty. Every new born spring calf, blooming flower, humming bird and yard hawk that I see will remind me of your smile and love and release another memory of our journey together. God Bless! Love you always my dear. Ken
