“ Duane, I am so sorry to hear about Crystal. My heart goes out to you and the family. I found out from Wilsie Beeler yesterday. I was working on the fencing at the back corral when I got her email and looked up and could still see Crystal hammering in the the shelter boards on the back corral. There the three of us were working on the old Chrysler and the Rabbits. You both left your mark out on my farm. Memories that have and will stay with me for the rest of my life. If there is anything I can do let me know. My thoughts are with you.

“ We were so privileged to meet Crystal, 2 years ago. We adopted our dog, Ginny, from Crystal. She opened her home to us and gave us a wonderful pet. Crystal's love for animals really shone through. She made her mark on the world and will be missed. Thank-you for notifying us Duane. Our thoughts are with you.

“ I an deeply saddened to hear of the passing of Crystal. She had a great focus on what she wanted and having Duane and her pets in her live was her unshakable foundation. It was a pleasure to have worked with Crystal and seeing her focus on improving her life. I lost touch with Crystal a number of years ago, I hope she became the accountant that she always wanted to be.
My deepest condolences to Duane.

“ Duane, Bonnie, Rick, Tina and Dan...we were so very sorry to hear of Crystal's passing. Words cannot express the sadness we feel for your loss. Crystal had a real enjoyment of life, a go-getter attitude and, yes, somewhat of an independent spirit. She seemed to always have enthusiasm and drive to go after things she was passionate about. My sons, Seth and Andrew, join me in expressing our heartfelt sympathy and love to each one of you. Know that we will continue to keep you in our thoughts and our prayers. As well as comfort you are receiving from family and friends, look also to God. He loves you and so wants to give you strength and peace in this sad time. Love, Uncle Dan, Seth and Andrew Colley.
