“ *DEEPEST Sympathies to the Irving family's....I will hold the Memories of Dale & John's early years together riding the slopes of Nakiska, building the downhill ski runs for the Winter Olympics. The Friendship John had with Dale was Cherished & Remembered as John wrote his Memories in his hospital journal in his last days. We Celebrated John's Celebration of Life on July 8th here in Sask. @ 10 am.. I'm sure those 2 will meet again & cause just as much havoc as they did in their younger days ...lol.. Remembering the Good ol days :) Blessings to All. *Vicky Mills **

“ *Austin, Donny, Billy, and Ronny:
Dale and I were pretty close together in age, and when we were quite young, I can remember running around Tommy and Tiny's basement in their house in Okotoks, rough-housing and chasing each other, and making lots of noise. I was a quiet, only child, so it gave me a chance to pretend I had a brother to play with. Now, I wish I had taken some opportunities to see more of him as I grew older.*

George and I are so sorry for your loss. Our thoughts are with you and your families.

Love from,

(Cousin) Donna and George Willcock
