“ I am saddened to hear of Dan's passing. I knew him as a loving husband to his beautiful wife Shirley. He cared for her through her serious health struggles, which helped her stay in their own home. He also owned the vending machine in the main lobby of the High River Hospital. We would refer to him as Dan the Candy Man. He loved it.
My deepest sympathies to Dan's family and friends.

I worked for Dan for 2 years as a driver with M.C. Taxi and we formed a great friendship. He was an honourable man with strong loyalty to his family, friends and business. I will miss his slap-stick humour and crooked smile. Rest in peace, Dan.
