

## Mr. Darcy Delmer Hutchinson

July 8, 1955 - May 21, 2017

Mr. Darcy Hutchinson of High River, Alberta begrudgingly left his earthly form at the Foothills Country Hospice in Okotoks on May 22, 2017 at the age of 61 years. Darcy was an effervescent and energetic man who filled any room with his infectious energy.

Darcy was extremely loving and supportive of his three daughters, April Hutchinson, Breanne Hutchinson (Cyril) and Chrissy Spendiff, and was the world's best papa to his four grandsons Cohen, Easton, Hawksley and Loudon. Darcy's vitality, humour and kind and generous heart will be greatly missed by his daughters, grandsons, his former wife Julie, his sisters Penny and Judy, his father Delmer, and his numerous close friends and extended family. Darcy was predeceased by his mother Lorraine and his sister Wendy.

We will be watching for you in the sky Papa (just sayin').

At Darcy's request no funeral service will be held (whatever); however, his 62nd birthday will be celebrated on July 8th in High River at the High River Cultural Centre. Please contact his daughters for further details.

In Lieu of flowers the family has requested donations to the incredible Foothills Country Hospice, where Darcy was lovingly cared for in his final days.

“ *What a kind person. He treated me like family from the moment I met him and it shows that he instilled great values in his daughters as well. My heart breaks for your family but I hope that you will all rest in knowing that he is now at peace.*

“ *I remember Darcy as always willing to lend a hand. When my Timbit went missing about five or six years ago, Darcy and Julie went walking the fields looking for him, and Darcy kept looking all through the day! Another time, I bought a new tv, and it was one of those crazy heavy ones. Darcy came over and carried it in for me. He was always ready with a smart ass comment to make a person laugh, and he loved his girls!*

“ *Our hearts go out to you at your time of loss. I first met Darcy over 40 years ago, when his little sister Judy and I became fast friends. Darcy built Judy her first water bed, and she loved that thing. He took after his Dad in that he was a very happy go lucky individual. I know that he loved his children immensely, and that his family will miss his wit, positive attitude and smile greatly. Our most sincere condolences go out to you at this time of sorrow.*
